Haywood, 2025-01-13 Life has a funny way of revealing purpose For Monique Haywood this journey has been a tapestry of love and pain shaping her from a young age Her search for love tested trust compassion faith and her belief in true love Haywood shares moments from her life throughout My Poetic Journey to Recovery using her verses to express deep feelings about the challenges she faced She is a woman of grace ambition and creativity whose presence opens hearts and minds to the beauty within a soul that has endured and sought the light within Her poetry is a testament to resilience and the journey of finding one's path amidst life's trials poetry in motion Candlelight Poets of the Cape Nerine Desmond, 1967 Murder by Candlelight Michael Knox Beran, 2015-08-15 In the early nineteenth century a series of murders took place in and around London which shocked the whole of England The appalling nature of the crimes a brutal slaying in the gambling netherworld the slaughter of two entire households and the first of the modern lust murders was magnified not only by the lurid atmosphere of an age in which candlelight gave way to gaslight but also by the efforts of some of the keenest minds of the period to uncover the gruesome details of the killings These slayings took place against the backdrop of a London in which the splendor of the fashionable world was haunted by the squalor of the slums Sir Walter Scott Lord Byron Thomas De Quincey Thomas Carlyle and Percy Bysshe Shelley and others were fascinated by the blood and devilry of the macabre In their contemplations of the most notorious murders of their time they discerned in the act of killing itself a depth of hideousness that we have lost sight of now living in an age in which murder has been reduced to a problem of social science and skillful detective work Interweaving these cultural

vignettes alongside criminal history acclaimed author Michael Beran paints a vivid picture of a time when homicide was thought of as the intrusion of the diabolic into ordinary life *Blood to Remember* Charles M. Fishman,1991 Index
