National Reconviction Statistics and Studies in Europe = Nationale

Rückfallstatistiken und -untersuchungen in Europa Hans-Jörg Albrecht, Jörg-Martin Jehle, 2014 Recidivism belongs to the main categories of criminology crime policy and criminal justice If the target of preventing offenders from reoffending is taken seriously crime policy should be measured by success of certain penal sanctions in terms of relapses Also institutions that deal directly with crime and offenders need to get basic information on the consequences of their actions particularly general knowledge about offender groups at risk of reoffending All these are reasons why representative recidivism studies are needed Meanwhile a lot of European countries gather systematic and comprehensive information on recidivism periodically and on a national level This volume presents an exemplary collection of such endeavors Austria Estonia France Germany Switzerland and a comparative study of England and Wales the Netherlands and Scotland

Justice Alternatives Pat Carlen, Leandro Ayres França, 2019-07-11 Justice is one of the most debated and reinterpreted of concepts within the fields of law criminology and criminal justice Bringing together 35 leading thinkers analysts and campaigners from around the world this collection presents a range of on going struggles for justice from abolitionist transitional transformative indigenous green and restorative perspectives Against a background of contemporary concerns about dark money plutocracies and populism these chapters raise questions about the relationships between social justice and criminal justice and between democracy knowledge and justice Overall the chapters also demonstrate the breadth variety and vibrancy of contemporary criminology and include amongst other cutting edge contributions chapters by John Braithwaite Michelle Brown Ian Loader Pat O Malley Joe Sim Susanne Karstedt Phil Scraton Richard Sparks Lo c Wacquant and Sandra Walklate Justice Alternatives is essential reading for students of criminology criminal justice and law as well as for other scholars and activists concerned about social justice policing courts imprisonment mass supervision rights and privatized justice The book s emphasis upon the importance of imagination experimentation innovation and debate aims to promote an optimism that there are always alternatives to inequality domination and oppression

Elite White Men Ruling Joe Feagin, Kimberley Ducey, 2017-04-07 This book examines the who what when where and how of elite white male dominance in U S and global society In spite of their domination in the United States and globally that we document herein elite white men have seldom been called out and analyzed as such They have received little to no explicit attention with regard to systemic racism issues as well as associated classism and sexism issues Almost all public and scholarly discussions of U S racism fail to explicitly

foreground elite white men or to focus specifically on how their interlocking racial class and gender statuses affect their globally powerful decisionmaking Some of the power positions of these elite white men might seem obvious but they are rarely analyzed for their extraordinary significance While the principal focus of this book is on neglected research and policy questions about the elite white male role and dominance in the system of racial oppression in the United States and globally because of their positioning at the top of several societal hierarchies the authors periodically address their role and dominance in other oppressive e g class gender hierarchies

The Rise and Rise of Illegal Ticket Touting Alessandro Moretti,2023-02-10 This book presents an ethnographic study of contemporary ticket touts in the UK Despite the recent interest in the topic of black market ticket sales media coverage and parliamentary interventions over the last ten years have revealed a widespread lack of knowledge with regard to the phenomenon of touting and the players engaging in the practice The Rise and Rise of Illegal Ticket Touting sheds light on the world of touting and delivers an authentic picture of the individuals involved of their methods values and motivations for performing ticket touting as an organised entrepreneurial deviant activity The touts varied methods of buying and selling tickets the hierarchical structures and strict ethos of their criminal organisations and their specific modi operandi for evading detection and arrest both on the streets and online are focal points of the study Of equal importance are the touts attitudes perceptions and adaptations to or outright dismissal of society's legal and moral frameworks This book illuminates why historic and renewed attempts to challenge ticket touting have been unsuccessful focusing on inadequate legislation a lack of enforcement and the widespread corruption and exploitable loopholes that exist within the official primary ticket market An accessible and compelling read The Rise and Rise of Illegal Ticket Touting will appeal to students and scholars of criminology sociology social policy policing and all those with an interest in live music and sport and the hidden practices that lurk beneath the surface
