Investigating the Social World with SPSS Student Version 14.0 Russell Schutt, 2006-03-06 Praise for the Fourth Edition I think this volume is a good textbook and if I were teaching a research methods subject I would consider using it as a core text The extensive study aids are a particularly attractive aspect of the book as a teaching pool Qualitative Research Journal The continually updated and expanded *Investigating the Social World* now in its Fifth Edition is written so that the doing of social research is closely and consistently linked to important social issues demonstrating not only the value of research but also how technique and substance are intimately related The text offers guides for critiquing research articles exercises for applying research skills and the examples of analyzing and reporting social data provide instructors with key supports for effective teaching Ethical concerns and ethical decision making are treated in tandem with each study of specific methods and an emphasis on how to do research is joined with an equal emphasis on giving students the critical skills necessary to evaluate research done by others

Investigating the Social World with SPSS Student Version 11.0 Russell Schutt, 2003-08-07 The Fourth Edition of Russell Schutt's successful social research text *Investigating the Social World: The Process and Practice of Research* links the doing of social research to important social issues including research on the Internet and social relations substance abuse homelessness and gender roles The Fourth Edition now includes a new chapter on evaluation research Chapter 10 and a new comprehensive qualitative data and content analysis chapter Chapter 13 The qualitative analysis software integrated into the text and CD is

now from HyperRESEARCH and an expanded comprehensive Instructor's Resource CD containing PowerPoint slide sets for each chapter, test questions, illustrations from the book for transparency masters, and much more is available. Investigating the Social World is an engaging, accessible introductory text for research methods courses in sociology, criminal justice, social work, communication, and journalism, and political science and public administration.

The Practice of Research in Social Work Rafael J. Engel, Russell K. Schutt, 2016-01-27 The Fourth Edition of Rafael J. Engel and Russell K. Schutt's *The Practice of Research in Social Work* introduces an integrated set of techniques for evaluating research and practice problems as well as conducting studies. Evidence-based practice comes alive through illustrations of actual social work research. Updated with new examples, the latest research, and expanded material on technology and qualitative methods, this popular text helps readers achieve the 2015 EPAS core competencies essential for social work practice.

Making Sense of the Social World Daniel F. Chambliss, Russell K. Schutt, 2018-12-01 Congratulations to Daniel F. Chambliss, winner of the ASA Distinguished Contribution to Teaching Prize for 2018. The new Sixth Edition of *Making Sense of the Social World* continues to be an unusually accessible and student-friendly introduction to the variety of social research methods, guiding undergraduate readers to understand research in their roles as consumers and novice producers of social science. Known for its concise, casual, and clear writing, its balanced treatment of quantitative and qualitative approaches, and its integrated approach to the fundamentals, the text has much to offer both novice researchers and more advanced students alike. The authors use a wide variety of examples from formal studies and everyday experiences to illustrate important principles and techniques. New to this Edition: Failure and success of pre-election polls in the 2016 Presidential election; The use and abuse of data from social media such as Facebook and Twitter; When does research on underprivileged populations become cultural appropriation based on the controversy over Alice Goffman's ethnographic studies in Philadelphia; The debate over inclusion of U.S. citizenship questions on the 2020 Census; The growth of new video techniques by researchers and dramatically expanded use of web-based surveys both by professionals and by students; Addition of material on methods widely used by student researchers such as content analysis and grounded theory; ethnography; New vignettes on Research That Matters; Research in the News; and Careers and Research to enhance the relevance of the book to undergraduates.
