1. Purpose. To establish policy for planning, determining and documenting manpower, personnel and training (PMT) requirements and developing of professional, technical and leadership training for Navy and Navy and Marine Corps integrated weapons and warfare systems across the continuum of Naval training (apprentice, journeyman, and master level) throughout the system's life cycle. This revision aligns with changes in policy, procedures, responsibilities and reporting identified in reference (a), missions, functions and tasks published in reference (b) and additional guidelines established in the references identified in enclosure (1). This instruction is a complete revision and should be reviewed in its entirety.

2. Cancellation. OPNAVINST 1500.76D.

3. Scope and Applicability. This instruction applies to Navy and Marine Corps Defense System programs, as identified in references (c), (d), (e) and (f). Specific Department of Defense (DoD) instructions or directives for guidance and management can be found under references (c), (g), (h), (i) and (j) for major capability programs, middle tier and software programs. Additionally, this instruction applies to modernization programs. Joint and Inter-Service training programs will follow the procedures outlined in references (d) and (f). This instruction facilitates the alignment of the system, manpower and training requirements throughout the lifecycle of the system and rating continua. This instruction also serves as guidance for the Department of the Navy (DON) in building training effectiveness assessment models. Compliance with this policy will ensure PMT requirements traceability in support of new or modernized (or both) Navy training capabilities via the enclosures contained in this instruction.
