Milo And The Magical Stones:

Milo and the Magical Stones, 1997 A book with two endings cover **Milo and Magical Stones 10 Copy Display**
Marcus Pfister, 1997 This exciting sequel to Marcus Pfister's best-selling *Milo and the Magical Stones* picks up where the happy resolution to that alternate ending book left off. Winter is over and Milo sets out to explore every nook and cranny of his small island and he is restless and bored. How wonderful it would be, he thinks, to see what lies over the horizon. He shares his dream with the other cliff mice and together they build a giant raft and set out on a voyage of discovery. Their voyage takes them to a lush tropical island inhabited by friendly striped mice. What kind of explorers will the cliff mice be? Will their discovery lead to good or evil? It's up to the reader to decide. Halfway through the story, the book splits into two sections, each offering a different ending. From Marcus Pfister, creator of *The Rainbow Fish*, comes a thought-provoking story that with the book's unique format actively involves children in the decision-making process. *Milo and the Magical Stones* Marcus Pfister, 2010-01-01 A story about environmental choices where the reader gets to make the choice. Milo is irresistible. School Library Journal On a small island in the middle of the sea, a mouse named Milo makes an extraordinary discovery: a magical stone that gives both light and warmth. How will this discovery change the lives of Milo and the other mice? Will it bring delight or environmental disaster? The reader must decide. Halfway through the story, the book splits into two sections, each offering a different ending. This unique format actively involves children in the decision-making process, showing them not only the effect today's environmental choices can have on the future of our planet but also the consequences inherent in all decisions. NorthSouth is proud to bring back this classic allegory for our time. This cautionary tale of the consequences of greed, envy, and environmental pillaging brings Pfister's message about making wise ecological choices home to children of all ages. **Milo and the Magical Stones Book and Doll** Marcus Pfister, 2000-10-01
