Grant Application Guidelines
2020 Grant Cycle

1.1 BACKGROUND

Yayasan Hasanah's ("Hasanah") vision is to become a **leading foundation that promotes Malaysia's global sustainability through solutions that empower communities, encourage social inclusivity and improve the local environment** supported by its **four Impact Areas of Education; Community Development; Environment; and Arts and Public Spaces**). These Impact Areas are anchored to Hasanah's core foundation of **long-term nation building**; and built on Hasanah's commitment to stakeholders in upholding the principles of *Empowerment, Trust, Integrity, Inclusivity, Connectedness and Authenticity,* in the work that we do.

Hasanah works through an ecosystem of champions that include our partners, civil societies, social enterprises, government and regulatory agencies, and the community, for a cohesive and holistic impact. Our champion-ecosystem is intentionally local-partner based. This is part of our strategy to sustain and strengthen the local community's capacity, ownership and leadership, and to ensure solutions are customised and relevant to local needs.

We emphasise an operational model of equal partnership. Our role is to complement and support the passion and goal of our partners, and build their capacity to strategise, lead, and open doors to policy-making in their areas of work.

Hasanah has supported interventions that are not only transformative and catalytic, but which also have meaningful social impact on both the nation and the communities it served. Achieving significant and multi-faceted social impact however requires a longer time horizon.

In order for Hasanah to focus its finite resources towards achieving a transformational and measurable social impact, Hasanah's priorities have shifted from short-term results at the output level to long-term results at the impact level to which can be measured collectively within each Impact Area as well as at the foundation level. This shift will also be cascaded to all its current and potential partners so that the activities and projects they implement are also measurable, impactful and aligned to Hasanah's aspirations.

We welcome proposals that are clearly aligned with Hasanah's mandate, and supports any of Hasanah's four Impact Areas. Other considerations include scalability and replicability of the programme, how its impact can transform or catalyse further progress in the affected issue or area, as well as the sustainability of the programme.

Hasanah's work in our Impact Areas are aligned to 15 of the 17 Sustainable Development Goals (SDGs). These are:

SDG 1: Poverty Alleviation	SDG 6: Clean Water & Sanitation	SDG 12: Responsible Consumption & Production
SDG 2: Zero Hunger	SDG 7: Affordable & Clean Energy	SDG 13: Climate Action
SDG 3: Good Health & Well Being	SDG 8: Decent Work & Economic Growth	SDG 14: Life Below Water
SDG 4: Quality Education	SDG 10: Reduced Inequalities	SDG 15: Life On Land
SDG 5: Gender Equality	SDG 11: Sustainable Cities & Communities	SDG 16: Peace, Justice & Strong Institutions
