Tim Nicholls,2017-06-01 You have a hidden power and with it you can learn how to create a better life This hidden power is your intuition and as Albert Einstein once said The intuitive mind is a sacred gift and the rational mind a faithful servant We have created a society that honors the servant and has forgotten the gift But how do we rediscover our intuitive minds How can we harness this hidden power and realize our potentials In *Into the Pure* author Tim Nicholls shares the key to his adventures vitality and experiences and he explains how he unlocked the way that led him toward an intuitive understanding of spiritual empowerment Being open to your own intuitive mind is about being open first to the spiritual dimension the real you And focusing on your inner self feeling your bodys mindfulness and developing meditative skills will give you the power to hear and interpret the intuitive messages emanating from within From there the spirit the energy of life the self will become paramount to your understanding of your being You will discover how it can answer all things Developing your intuition is about empowerment and working into the pure energy of your being and this intuition is the way your inner self communicates It will point the way in your life with amazing power You need to get to know it as a close friend as another voice in your life shining from within 7
