Myths and Legends

Creatures are animals, insects, which have an unusual mystical build or possess a super startling power. Myths and creatures are either fun and dangerous even to most their world or having special tips in bother as to give or intuitive at the sun.

Creatures

Almost all myths and legends have fantastical creatures. These creatures either help the hero or stop the hero from achieving his or her goal. Usually these creatures have special powers.

Setting

Myths and legends are stories set at very interesting places. As the quest for the heroes is going to be a difficult one, the places they travel to will also be interesting e.g. high mountains, dark woods or dangerous caves.

Quest

A quest in a myth or legend is the journey the hero has to take to find something. During the quest, the main character often must overcome several challenges before completing the final mission.

Myths

A myth is based vaguely on a real event but is more than likely a story that has been created to teach people about something meaningful. At the time, people didn't understand the world, so myths were often used to explain things such as earthquakes, hurricanes, the sun, the moon and stars, and death.
