Plan and execute a research project guided by intellect

Create a concise research question for the research topic

Conduct research to get data from the sources, interpret it, and use it to analyze the research question

Outline the argument, well backed up with facts

Presentation in the appropriate format

Use analytical skills to evaluate and understand the research

How to Present Your Extended Essay

The highest upper limit of words is 4000 words.

There is a penalty for an essay exceeding this limit

The research question, introduction, conclusion, and abstract attract from 0-2 points each
