The Illustrative Lesson Notes John Heyl Vincent, Jesse Lyman Hurlbut, John Thomas McFarland, 1893 *The Sunday School Journal*, 1898 ... **Select Notes on the International Sunday School Lessons ...**, 1879 **Commentary on the International and Uniform Lessons** National Baptist Convention of the United States of America. Sunday School Publishing Board, 1929 **Christ's Object Lessons—Illustrated** Ellen G. White, 1941 Heritage Edition Over 100 illustrations of a century ago Unabridged original text consisting of inspiring and profound lessons from the stories and parables which Jesus told Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river In His parable teaching He linked divine truth with common things and incidents as may be found in the experiences of the shepherd the builder the tiller of the soil the traveler and the homemaker Familiar objects were associated with thoughts true and beautiful thoughts of God s loving interest in us of the grateful homage that is His due and of the care we should have one for another Thus lessons of divine wisdom and practical truth were made forcible and impressive The Scripture says All these things spake Jesus unto the multitude in parables that it might be fulfilled which was spoken by the prophet saying I will open My mouth in parables I will utter things which have been kept secret from the foundation of the world Matt 13 34 35 Natural things were the medium for the spiritual the things of nature and the life experience of His hearers were connected with the truths of the written word Leading thus from the natural to the spiritual kingdom Christ s parables are links in the chain of truth that unites man with God and earth with

heaven In this volume the parables are grouped according to their subjects and their lessons are developed and illustrated The book is full of gems of truth and to many readers it will give a richer meaning to the common surroundings of everyday life **The Christian Science Journal** ,1916 God's Hard-Knock Lessons Larry Cumberland,2024-05-23 I wrote this book to communicate many of the lessons that God has taught me through many trials in my life I hope to provide you those hard knock lessons without the cost I paid for them in physical mental and spiritual pain My reference to hard knock lessons is based on the fact that most of them were self inflicted in that God promises chastening to those that He loves I clearly understand that God must love me a lot based on the frequency of the chastening Those lessons sometimes came with scars that lasted a lifetime although God forgave the sin from the beginning Also I included doctrinal truths that I learned far too late in my life I so wish I had learned them earlier as my life would have been more peaceful and spiritually more productive The lessons were typically learned later than desired due to my lack of knowledge from a specific doctrinal teaching in the Bible I sincerely feel God inspired and led me to write this book The initial thought occurred when several people commented on my extraordinary life experiences and the lessons learned from those experiences God healed me miraculously on two occasions during my life Those comments were usually followed by a comment of needing to write a book As for my investment in time and effort in providing you knowledge that I hope you find as valuable I offer that my time in writing was precious as related to the time I have remaining to live I write it while doctors have diagnosed me with stage 4 cancer and two to five months of life remaining I pray for God s third time of healing **The Teacher's assistant and Bible class magazine** ,1884 **The Church School Journal** ,1873 **Christian Nation** ,1926 Private Lectures on Perfect Men, Women and Children, in Happy Families Orson Squire Fowler,1883
