Audience If they seem upset apologize quickly and explain that it was all in good fun Take Responsibility Don't try to deflect or blame someone else It's your prank own it Debrief After the reveal ask them how they felt during the prank This can help you gauge their reaction and ensure they aren't too stressed Conclusion The Art of the Perfect Prank A Crack My SCREEN prank is a classic digital trick that mixes surprise humor and a dash of mischief Whether you're pranking your best friend a coworker or a sibling it's guaranteed to get a good reaction and offer a shared laugh As with any prank remember the golden rule Keep it light keep it fun and make sure everyone involved is in on the joke by the end So gather your tools pick your target and get ready for a prank that will crack them up without cracking their screen
