High school and college might seem like they're pretty similar, but there are actually some big differences between them. In high school, you usually have to go to the same building every day and your schedule is planned out for you. Your teachers tell you what to do, and you have to follow a lot of rules. You also see the same classmates all the time which can be fun but sometimes you want to meet new people. In high school you learn a little bit about many subjects like math, English, science and history, so you get a wide range of knowledge. College is a whole different ball game! First of all you get to choose what you want to study. That means if you really love animals, you can take a lot of science classes to
