GRADE  
**3**

WEEK  
**12**

**Nonfiction Text Features**  
Students look at text features, such as headings and captions, to understand what they read.

**Visual Information**  
Students discover how pictures, charts, graphs, and other visual elements can explain more about a topic.

DAY  
**1**

Explain to students what nonfiction text features are, show them features such as bold print, lists, and headings in a textbook, or point out the nonfiction text features in the passage. Say, "Remember that it is important to look at all the features on the page, not just the words in the story. Read the instructions at the top of the page aloud. Then remind students of the 'Extensive Information' strategy, which was taught during Week 4. Say, 'We want to look at all the features on the page, but we need to pay attention to the features that help us best understand what the author wants us to know or that help us best understand what we are reading. Have students discuss what they have learned, direct them to complete the skill and strategy practice.'
