Evangelism and Social Responsibility, 1982 **Evangelism and Social Involvement** Delos Miles, 1986 **In Word and Deed** Bruce Nicholls, 1985 Good News to the Poor Tim Chester, 2013-07-31 Help them or tell them Be like Jesus or talk about Jesus Social action or gospel proclamation It seems the two are often pitted against each other as if they are mutually exclusive But the New Testament paints a different picture where both aspects are valued In this plea for a renewed understanding of the Christian calling Chester argues that faithfulness to the gospel necessitates a commitment to evangelism and social involvement To that end he structures the book around three basic theses 1 evangelism and social action are distinct activities 2 proclamation is central and 3 evangelism and social action are inseparable Responding to Christians in both camps Chester helps people to talk the talk and walk the walk Context and Contextuality Vyacheslav Tsvirinko, 2018-01-31 Since 1988 hundreds of thousands of evangelical Christians have migrated to the United States of America from former Soviet Union countries establishing many Russian speaking immigrant congregations across the country This study analyzes how these immigrant churches function in their new cultural social and religious context Dr Vyacheslav Tsvirinko a Russian who lived in the USA for over twenty five years examines the holism authenticity and contextuality of the mission work done by churches in the Pacific Coast Slavic Baptist Association PCSBA in America He defines authentic mission in light of three major Christian groups the World Council of Churches the Lausanne Movement and Anabaptists and uncovers startling insights on how PCSBA churches engage in mission both back in their homeland and in the USA The findings and conclusions of this work are invaluable to diasporic Christian communities who wish to address their authenticity in the way they do mission both internationally and in their local context creating a path to more fruitful gospel and kingdom work Evangelism in the Twenty-first Century Thom S. Stott, 1985 Is Hearing Enough?: Don Edwards, 2010-06-27 Literacy and the Great Commandments Is Hearing Enough makes the case for including literacy in evangelism and discipleship efforts in developing nations like India Drawing on over 20 years of cross cultural ministry experience Don Edwards offers an insightful look at literacy s key role in building a strong healthy body of believers Edwards looks at the crippling effects of illiteracy examines Scripture s view of literacy and explains literacy s value as a door opener in communities that are resistant to traditional evangelism The Great Commission commands us to go and make disciples of all nations Likewise we are called to fulfill the Great Compassion Love your neighbor as yourself Both are expressions of Jesus love for people Readers will be challenged to share the gift of literacy as a tangible act of obedience to Jesus two Great commandments *John Stott on Creation Care* R.J. Christian Mission in the Modern World John Stott,Christopher J H Wright,2016-01-15 Jesus sends us into the world just as God the Father sent him and yet Christians continue to disagree on what this involves Some believe that the focus of Christian mission is evangelizing and saving souls Others emphasize global justice issues or relief and development work Is either view correct on its own John Stott s classic volume first published forty years ago presents an enduring view of Christian mission that is just as needed today Newly updated and expanded by Christopher J H Wright **Christian Mission in the Modern World** provides a biblically based approach to mission that addresses both spiritual and physical needs With his trademark clarity and conviction Stott illuminates how the Great Commission itself not only assumes the proclamation that makes disciples but also teaches obedience to the Great Commandment of love and service Wright has expertly updated the original book and demonstrates the continuing relevance of Stott s prescient thinking This balanced approach to mission encourages current and future Christians to embrace an unconflicted and holistic model of ministry
