book you'll discover the best way to get started in the world of investing. You will uncover the secrets that financial gurus don't want you to learn. In fact, the so-called experts you see on TV don't want you to know about these secrets. Why? Because they are so straightforward that you won't need them to tell you what to do. If anything, you'll be the one giving advice to your friends and family. They will think you are a financial genius when they see how you can turn your financial life around in a short time period. So let's get started on the road to financial success. The keys to the kingdom are yours for the taking. It's up to you to make the all-important decision to get started. The beginning of the life you have always wanted is right here. See you on the inside.

Investing for Beginners, 1989 *Investing Made Simple* Mike Piper, 2020-07-08 Find all of the following explained in plain English with no technical jargon: Asset Allocation: What does it mean, why is it so important, and how should you determine your own? How to Pick Mutual Funds: Learn how to choose funds that are mathematically certain to outperform the majority of other mutual funds. Roth IRA vs Traditional IRA vs 401 k: What's the difference, and how should you choose between them? Financial Advisors: Learn what to look for, as well as pitfalls to avoid. Frequent Investor Mistakes: Learn the most common mistakes and what you can do to avoid them. Calculate Your Retirement Needs: Learn how to calculate how much you'll need saved in order to retire. Who Is This Book For? Anyone who has questions about investing but who doesn't want to trudge through a 300-page textbook. What This Book Is Not: This book is not a great work of literary art. This book is not going to make you an absolute expert on the topic, and this book is not going to provide you with a way to get rich overnight. What it will do, hopefully, is provide an easy-to-understand, concise introduction to the topic of prudent investing.

ETF Investing 101 for the Year 2021 Derek Bennett, 2021-01-26 Asking the right questions is more important than knowing the right answers. Answers may differ, the question remains the same. How ETF investments can change my life. Until you get the answer you were looking for, you will not stop asking. To save you the trouble of endless Google searches, this book offers a summary. This book offers the answers. The stock market relies on currencies. Contrary to popular belief, the most valuable currency is not the dollar. Information is priceless. And that's the only currency that any stock market finds invaluable. Information is key. Did you know that the first ETF was founded in 1924? Being present on the market for almost a hundred years, ETFs have grown into an investment opportunity. Today, ETFs count their value based on the most important currency information. Whether ETFs will help you in a profile depends on your dedication to coming and understating this product to an unbiased assessment of the benefits and drawbacks. If this seems like an uncharted territory for you, this book will explain. What ETF investments are. Beginner's guide to investments. How the ETF market grows. Throwback From evolution to revolution. Why ETF is the only investment worth your while. How ETFs save the day. How to become an ETF investor. Best tips for investing and becoming successful. Possible ETF drawbacks. How to manage retirement ETF funds. The benefits of ETFs over mutual funds. Future ETF strategies. And much more. It's never too late to invest in yourself. ETF is your late beginning.
