

EVERYTHING

Everything means **all things**.

When everything is a subject, we use it with a singular verb.

Everything is packed, and we are ready to leave.

SOMETHING

Something means **a thing that is not exactly known or stated**.

We don't usually use something in negatives and questions

I need to talk to you about something.

ANYTHING

We use anything instead of something in negatives and questions.

*I don't know anything about this.
Did you notice anything strange?*

NOTHING

Nothing means **not anything or no single thing**. We don't use a negative verb in a clause with nothing.

*There was nothing in the drawer.
I turned the key but nothing happened.*
