IOWA Assessments – English Language Arts (ELA)  
30 Questions – Test A**

With the ELA, students are given reading passages and then asked to answer multiple-choice questions based on the passage read. The passages are divided between informational/non-fiction texts and literary fiction texts. Passages include stories, poetry, fables, dramas, and excerpts from well-known literature, along with informational, technical, social studies, historical and scientific texts.

Each question on an ELA test is designed to assess a child's understanding of one or more specific state standards.

**Instructions**

Read each passage. Then read each question carefully and choose the BEST answer. Circle the letter that represents the correct response or fill in the bubble that represents the correct response (if you are using the provided bubble sheet).
