The Power of Three for Persuasion

To use the power of three to write persuasive sentences.

WCT

The Power of Three

The power of three is when we use three adjectives to describe something.
*The forest is **lush**, **verdant** and **majestic**.*

People are more likely to pay attention and remember when information is given in threes.

We can use the power of three when describing something and when trying to persuade someone.

WCT

The Power of Three

When we use the power of three, we can use it in a sentence opener or in the middle of a sentence.

***Beautiful, relaxing and tropical** beaches are waiting just around the corner.*

***Spacious, modern and convenient**, this machine will be at your disposal at the press of a button.*

Practice these sentences or the power of three in a sentence opener.

WCT

The Power of Three

cool		unpredictable
colorful		and
well known		hard to
break		through

We can use our three adjectives to form a sentence using the power of three to persuade someone against learning our lesson here.

WCT

The Power of Three

Practice some of these sentences and include the power of three.

*Wouldn't you like to experience a **luxury, spacious and bright** spa? This hotel is the **best** thing you've ever seen before with its state of the art **facilities, it is luxurious**. If you don't visit, you will be with **regret** for the rest of your life.*

 Talk to your partner.

WCT

The Power of Three

*Wouldn't you like to experience a **beautiful, relaxing and tropical** spa? This hotel is the **best** thing you've ever seen before with its **state of the art, sophisticated and modern facilities**. **Luxury, spacious and convenient** is waiting for you behind those hotel doors. If you don't visit, you will live with **regret, sorrow and envy** for the rest of your life.*

Like any type of literary technique, we shouldn't use too many sentences which use the power of three.

If we use it too much, our writing can become predictable for the reader and it can lose its impact.
