**Humble Apologetics** John G. Stackhouse Jr.,2002-11-14 Is it still possible in an age of religious and cultural pluralism to engage in Christian apologetics How can one urge one s faith on others when such a gesture is typically regarded with suspicion if not outright resentment In *Humble Apologetics* John G Stackhouse brings his wide experience as a historian philosopher journalist and theologian to these important questions and offers surprising and reassuring answers Stackhouse begins by acknowledging the real impediments to Christian testimony in North America today and to other faiths in modern societies around the world He shows how pluralism postmodernism skepticism and a host of other factors create a cultural milieu resistant to the Christian message And he shows how the arrogance or dogmatism of apologists themselves can alienate rather than attract potential converts Indeed Stackhouse argues that the crucial experience of conversion cannot be compelled all the apologist can do is lead another to the point where an actual encounter with Jesus can take place Finally he shows how displaying an attitude of humility instead of merely trying to win religious arguments will help believers offer their neighbors the gift of Christ s love Drawing on the author s personal experience and written with an engaging directness and an unassuming nature *Humble Apologetics* provides sound guidance on how to share Christian faith in a postmodern world

**Developing a Christian Apologetics Educational Program** Douglas E. Potter,2010-02-18 Many are expressing concern about the future of Christian youth today What can we do to help ensure they will keep their evangelical faith once they graduate from high school Can Christian apologetics provide an educational solution Developing A Christian Apologetics Educational Program explores issues certain to be encountered by secondary school educators who want to teach apologetics as a distinct subject of study either as a part of a Christian institutional or home school curriculum This book helps the apologist and educator blend their skills to soundly integrate the two subjects A solution is sought by providing a background and rationale for implementing an age level appropriate apologetics course at this critical level of Christian education This book is designed as a text to supplement those used in Christian education or applied apologetics courses each chapter successively builds upon the other to help develop an educational philosophy that supports the inclusion of apologetics in the curriculum A model is explained and materials are given to support the development of a curriculum in Christian Apologetics Education at the secondary level Practical ideas are explored and a sample unit of instruction is supplied to help the educator develop an evangelical approach to education that is in the classical apologetic tradition
