The Male Chastity Companion isn t like any other book you ve read on male chastity It is a collection of opinionated and insightful essays written by chastity expert Park Cannon whose 20 years of experience as a chastity sub provide a unique perspective that sets this book apart from others Chastity is a subset of BDSM that is a power exchange between a submissive and dominant In chastity role playing the sub is restrained in a chastity device that prevents sexual stimulation and their dom holds the key to the device controlling that experience As specific as that may sound chastity is a remarkably versatile and adaptable kink It is just as often a solo experience as it is one including a keyholder The locked person doesn t always have to mean the sub It can be enjoyed by couples that aren t interested in dom sub power dynamics It can be meaningful or just a fun sensual experience The mechanics of play the roles of those involved the stated goal or purpose and the symbolism or meaning you give it are all personal decisions with no right or wrong answer To try to delineate any one true way to engage in chastity role playing would be an act of hubris and an insult to the thousands of people who have found a different way that works better for them In that spirit this book tries to be neither prescriptive nor complete It discusses chastity from a unique and singular perspective and widens that perspective whenever possible but at the end of the day this is as much memoir as it is reference book The chapter titles reflect the diverse range of topics that are covered Weird is the New Normal Comprehensive Guide to Male Chastity Debunked Chastity in the Middle Ages When is Chastity Not About Chastity Chastity s Female Problem A Cautionary Tale of Chastity Belts and Body Scanners Essential Chastity Websites In Defense of the Word Faggot How to Shop for a Chastity Device Kinky Glossary With the publication of The Male Chastity Companion Park Cannon has solidified his position as a leading voice in male chastity today If you purchase just one book on male chastity this year it should be this one This 18 300 word 99 page book is currently available worldwide exclusively on Amazon **Male Chastity Challenge Workbook for Loving Couples** Darius Night,2021-09-26 Male Chastity Workbook for Loving Couples Locktober can be read by those new to the practice of male chastity or by more seasoned practitioners This monthly program with the daily tasks will keep even the more experienced spouses satisfied and locked submissives hearts pumping hard in that sweet agony of unfulfilled desire Male chastity is a practice that is often associated with female domination female led relationship FLR cuckolding sissification and forced bi But just as often there is nothing more than the loving relationship between the couple and the devotion from the male to focus all his sexual energy towards his partner In this workbook the tone and the tasks are relatively neutral regarding the other practices that you Dear Reader might be engaged with There s a leaning towards female domination which I believe goes quite naturally with the fact that she is the

guardian of his orgasms This monthly program runs through the entire Locktober beginning on the 1st and ending only on the 31st of October And as the name suggests there will be no cumming for the male during the duration Maybe in the very end maybe not You will have to follow through with the program to find out Chapters are numbered as the days of the month and each chapter describes the task for the day The only equipment you need is a male chastity device everything else you already have And rest assured the Keyholder will have the most sexually fulfilled month of her life
