Is Ambient Assisted Living the Panacea for Ageing Population? Marco D'Angelantonio,John Oates,2013 The ageing population of Europe is a well documented phenomenon and there is general agreement that it has serious implications for all European citizens as well as for policymakers and politicians The current paradigm of caring for elderly citizens in residential homes is becoming untenable and it is also unpopular with many elderly people themselves New ways of caring which engage and empower older adults more actively and are also more cost effective must be found The four year DREAMING elDeRly friEndly Alarm handling and MonitorING project carried out randomized controlled trials
