

Frindle

Chapter 1

Why do you think the author said that Nick deserved a list all to his own on the first page?

After reading chapter one, what character trait(s) would you use to describe Nick, and use evidence to support your answer.

Chapter 2

The author said that Mrs. Granger was smaller than most, but seemed like a giant. Why did the author choose to use this language to describe Mrs. Granger and how does it contribute to the story?

What does the word "ideal" mean as it is used on page 11 of the text? What evidence can you use to support your thoughts?

After reading this chapter, how would you feel being in Mrs. Granger's class and why?

Frindle Chapter Questions

NARAYAN CHANGDER

Frindle Chapter Questions:

In Defense of Read-Aloud Steven Layne, 2023-10-10 As accountability measures for schools and teachers continue to grow instructional practice is under the microscope The practice of reading aloud to children may be viewed by some educators as an extra bit of fluff used solely for the purposes of enjoyment or filling a few spare minutes but researchers and practitioners stand in solidarity the practice of reading aloud throughout the grades is not only viable but also best practice In Defense of Read Aloud Sustaining Best Practices author Steven Layne reinforces readers confidence to continue the practice of reading aloud and presents the research base to defend the practice in grades K12 Layne also offers significant practical insights to strengthen instructional practice answering the questions of Why should we and How should we and provides practical advice about how to use read alouds most effectively Leading researchers in the field of literacy provide position statements authors of professional books share insights on books they have loved leaders of the largest literacy organizations in the United States write about their favorite read alouds award winning authors of children s and young adult book Katherine Paterson Andrew Clements Lois Lowry to name a few share the powerful behind the scenes stories of their greatest books and real classroom teachers and librarians speak about books that have lit up their classrooms and libraries around the world Last but not least In Defense of Read Aloud features many great recommendations of books to share with children Read aloud is an essential practice in teaching literacy in grades K 12 In this book Steven Layne has provided everything needed to support sustain and celebrate the power of read aloud Philosophy in Schools Sara Goering, Nicholas J. Shudak, Thomas E. Wartenberg, 2013 All of us ponder the big and enduring human questions Who am I Am I free What should I do What is good Is there justice Is life meaningful but this kind of philosophical interrogation is rarely carefully explored or even taken seriously in most primary and secondary school settings However introducing philosophy to young people well before they get to college can help to develop and deepen critical and creative thinking foster social and behavioral skills and increase philosophical awareness Philosophy in Schools An Introduction Philosophers and Teachers is an invaluable resource for students and practitioners who wish to learn about the philosophy for children movement and how to work its principles into their own classroom activities The volume provides a wealth of practical information including how to train educators to incorporate philosophy into their daily lessons best practices and activity ideas for every grade level and assessment strategies With contributions from some of the best practitioners of philosophy for children Philosophy in Schools is a must have resource for students of philosophy and education alike Story Squares for Grade 5 Denise Cunningham, Nicole Sullivan, 2011-09-01 Enhance your reading comprehension lessons with Story Squares This versatile resource will encourage a love of reading in your students while developing a wide range of skills Students are challenged to respond to reading assignments using the skills of Language Arts Writing Higher Order Thinking and Creative Arts It covers three timeless children s classics Strider Frindle and Tuck Everlasting Each book has a story summary and 20 activity

options The packet also includes teacher hints a grading rubric and a glossary of terms Brimming with content for both students and teachers Story Squares is a novel way to get your students reading **Story Squares** Denise Cunningham,Nicole Sullivan,2011-09-01 Enhance your reading comprehension lessons with Story Squares This versatile resource will encourage a love of reading in your students while developing a wide range of skills Using 40 timeless classics of children s literature students are challenged to respond to reading assignments using the skills of Language Arts Writing Higher Order Thinking and Creative Arts Students are given the power to choose the activities they wish to complete With 800 activities available readers are bound to find options that interest and inform them Story summaries teacher hints a grading rubric and a glossary of terms are included Brimming with content for both students and teachers Story Squares is a novel way to get your students reading Frindle - Literature Kit Gr. 3-4 Staci Marck,2009-12-01 Make learning about words fun again with a clever tale about a boy who invents a new word for the dictionary Our resource is ready made saving you time when preparing a lesson plan for this novel Set a purpose for reading by establishing which vocabulary words students are not familiar with Show your comprehension of the novel with multiple choice questions In a journal prompt use your critical thinking skills to predict what career Nick will have when he grows up Understand the difference between similes and metaphors by writing your own in a writing task Share your favorite part of the story by drawing a cartoon strip Aligned to your State Standards and written to Bloom s Taxonomy additional crossword word search comprehension quiz and answer key are also included About the Novel Frindle is the story of a clever time wasting schemer s innovative plan to create his own word for the dictionary Ten year old Nick Allen has a reputation for developing ingenious plans that distract teachers For the first time ever his diversions fail to create the desired results in Mrs Granger s fifth grade language arts class Instead of distracting her he ends up with an extra assignment and oral presentation on how new entries are added to the dictionary Surprisingly the boring assignment leads to Nick s most clever idea yet when he decides to create his own new word frindle Nick recruits five fellow students to support his efforts in changing the name of pen to frindle Their insistence on referring to pens as frindles causes a major commotion when Mrs Granger s passion for vocabulary and strict emphasis on the correct use of language result in a battle of wills that threatens to disrupt the whole school Their war of words spreads beyond the school resulting in after school punishments a home visit from the principal national publicity economic opportunities for local businessmen and eventually inclusion in the dictionary *Three Cases of Teacher Knowledge in Elementary Literature-based Reading Instruction* Richard J. Mezeske,2000 **Trophies Classroom Library, Grade 5** HSP,2002 *Frindle* Nat Reed,2006 Engaging Readers & Writers with Inquiry Jeffrey D. Wilhelm,2007 Invigorate your teaching and simplify your lesson planning with inquiry With this book learn to develop an essential question that students will be engaged by and then plan lessons activities and projects that support students as they pursue answers and understandings Addresses all the content areas Frindle Garrett Christopher,2006-01-01 Use Novel Ties study guides as

your total guided reading program Reproducible pages in chapter by chapter format provide you with the right questions to ask the important issues to discuss and the organizational aids that help students get the most out of each book they read
