How To Be Both A Novel:

How to be both Ali Smith, 2014-12-02 MAN BOOKER PRIZE FINALIST A novel all about art s versatility borrowing from painting s fresco technique to make an original literary double take Cements Smith s reputation as one of the finest and most innovative of our contemporary writers By some divine alchemy she is both funny and moving she combines intellectual rigor with whimsy The Los Angeles Review of Books One of the New York Times s 100 Best Books of the 21st Century How to be both is a fast moving genre bending conversation between forms times truths and fictions There s a Renaissance artist of the 1460s There s the child of a child of the 1960s Two tales of love and injustice twist into a singular yarn where time gets timeless structural gets playful knowing gets mysterious fictional gets real and all life s givens get given a second chance Passionate compassionate vitally inventive and scrupulously playful Ali Smith s novels are like nothing else A NOTE TO THE READER Who says stories reach everybody in the same order This novel can be read in two ways and the eBook provides you with both You can choose which way to read the novel by simply clicking on one of two icons CAMERA or EYES The text is exactly the same in both versions the narratives are just in a different order The ebook is produced this way so that readers can randomly have different experiences reading the same text So depending on which icon you select the book will read EYES CAMERA or CAMERA EYES Your friend may be reading it the other way around Enjoy the adventure Having both versions in the same file is intentional To Be Continued - Forms of Narrative Continuation Ulla Haselstein, Florian Sedlmeier, 2025-12-29 To Be Continued discusses forms of creating narrative continuation such as adventure parody the saga format fan fiction seriality spin offs in case studies ranging from the 18th century to the present Narrative Structure Novels organized by tight plot constructions are rather rare Episodic structures are the rule The number of episodic sequences is not fixed the narrative closure of episodes is preliminary and the interrelation of episodes is open to retrospective reconfiguration which makes additions and further narrative elaborations a constant option Intertextual Links Novels can thus be seen as experiments which use the modification of existing elements and the introduction of new elements to indicate and conceptualize cultural change Seriality and parody mark the extremely divergent forms such experiments can employ to write on or to re write to quote affirmatively ironically or satirically are basic forms of building traditions or of revising them and can be related to conflicts over literary economic or symbolic capital For the reader the entertainment value of a text may increase or decrease with the familiarity of a story world with its specific characters the economy of attention the level of affective bonding and their consequences identification revulsion or boredom are molded by continuation Diffractional Reading Kai Merten, 2021-05-27 Putting the New Materialist figure of diffraction to use in a set of readings in which cultural texts are materially read against their contents and their themes against their readers or against other texts this volume proposes a critical intervention into the practice of reading itself In this book reading and reading methodology are probed for their materiality and re considered as being inevitably suspended between or diffracted with both matter and discourse The

history of literary and cultural reading including poststructuralism and critical theory is revisited in a new light and opened up for a future in which the world and reading are no longer regarded as conveniently separate spheres but recognized as deeply entangled and intertwined Diffraction Reading ultimately represents a new reading of reading itself firstly by critiquing the distanced perspective of critical paradigms such as translation and intertextuality in which texts encountered processed or otherwise subdued secondly showing how all literary and cultural readings represent different agential cuts in the world text reader constellation which is always both discursive and material and thirdly the volume materializes dynamizes and politicizes the activity of reading by drawing attention to reading's intervention in and co-creation of the world in which we live

How to be Well Read John Sutherland, 2014-05-08 Generous enjoyable and well informed Observer 500 expertly potted plots and personal comments on a wide range of pop and proper prose fiction The Times

Ranging all the way from Aaron's Rod to Zuleika Dobson via The Devil Rides Out and Middlemarch literary connoisseur and sleuth John Sutherland offers his very personal guide to the most rewarding most remarkable and on occasion most shamelessly enjoyable works of fiction ever written He brilliantly captures the flavour of each work and assesses its relative merits and demerits He shows how it fits into a broader context and he offers endless snippets of intriguing information did you know for example that the Nazis banned Bambi or that William Faulkner wrote As I Lay Dying on an upturned wheelbarrow that Voltaire completed Candide in three days or that Anna Sewell was paid 20 for Black Beauty It is also effectively a history of the novel in 500 or so wittily informative bite sized pieces Encyclopaedic and entertaining by turns this is a wonderful dip in book whose opinions will inform and on occasion no doubt infuriate

Anyone hooked on fiction should be warned this book will feed your addiction Mail on Sunday A dazzling array of genres periods styles and tastes chatty insightful unprejudiced but not uncritical and wise Times Literary Supplement
