The Life Swap Barbara Hannay, 2023-08-08 Tess is feeling burnt out from her uninspiring job and her busy city lifestyle Even her personal relationships make her feel as if she's simply drifting through life rather than living it to the full Having tragically lost her mother a few years earlier she knows she owes it to herself to make so much more of the precious opportunities life offers Her godmother Luna who leads a very simple existence in a rustic cottage in the North Queensland rainforest is also at something of a crossroads Keen to expand her jewellery making business she needs the new connections that a bustling city offers When she suggests to Tess that the two of them might swap homes for an extended period it seems the perfect solution Tess soon finds herself in a new world adapting to life off grid dodging cassowaries working in a charity bookstore and falling for the gorgeous but unavailable guy next door Meanwhile Luna gets far more than she bargained for with police on her doorstep old lovers turning up out of the blue and the possibility of having her biggest secret exposed Are they about to discover that taking great risks can bring even greater rewards A moving and heart warming story by the bestselling Australian author of *The Garden of Hopes and Dreams* and *The Happiest Little Town*

Auto Repair For Dummies Deanna Sclar, 1999-09-30 Most of us don't know the first thing about the machines we're licensed to drive and this can turn a ticket to freedom into a ticket to trouble If you're like most people you probably tend to drive around until something goes wrong with the car You then incur the expense of replacing worn and burnt out parts or the entire engine when low cost regular maintenance could have kept your wheels turning for a long time *Auto Repair For Dummies* is indispensable for anyone who is tired of nodding and smiling at the incomprehensible mutterings of your mechanic only to end up shelling out money for repairs that you neither fully understand nor always need This easy to understand guide is also for you if you Don't have the vaguest idea of how a car works Can't identify anything you see under the hood of your vehicle Are tired of other people

assuming especially if you're a teenager or a woman that you aren't capable of handling repairs yourself. Don't want to feel helpless in an emergency. Are tired of being ripped off because of your own ignorance. This book shows you how your car works, what it needs in the way of tender loving care, and how to keep from being overcharged if you need to entrust repairs to someone else. *Auto Repair For Dummies* also gives you the scoop on these topics and more. What makes your vehicle go and how and why. A program of preventive medicine to avoid trouble. Shopping for tools and knowing how to use them. Diesel engines and alternatively powered cars. How to keep your car looking its best. Dealing with on-road emergencies. Checking your tires, alignment, and steering. By handling the simple maintenance and tune-ups and being able to diagnose trouble and perform the less complex repairs yourself, you'll save some serious money. Once you break the ice or crack open the hood, the heady sense of power will carry you through basic car repair and maintenance with confidence and ease.
