How To Explain Your Faith Reissue:

How to Explain your Faith John Pritchard,2014-11-20 Is Christianity for those who can't get a life? What use is a dying God? If you've faced questions like these and felt tongue-tied, this is the book for you. It will help you talk more confidently with your friends about the hope that keeps you going. You will find stories as well as inspiring, poignant, and witty quotes to work into your conversations whenever the opportunity arises.

How to Explain your Faith John Pritchard,2014-10-16 This book addresses the fact that apologetics today needs to operate on the basis of dialogue and conversation rather than proclamation and persuasion. It will help you talk more confidently with your friends about the hope that keeps you going. And during those times when you find that you are questioning your faith, the answers and ideas here may help you come to a deeper understanding of what you really believe.

Public Health Nursing - Revised Reprint - E-Book Marcia Stanhope, Jeanette Lancaster,2013-10-15 This Revised Reprint of our 8th edition, the gold standard in community health nursing, *Public Health Nursing: Population-Centered Health Care in the Community* has been updated with a new Quality and Safety Education in Nursing (QSEN) appendix that features examples of incorporating knowledge, skills, and attitudes to improve quality and safety in community public health nursing practice. As with the previous version, this text provides comprehensive and up-to-date content to keep you at the forefront of the ever-changing community health climate and prepare you for an effective nursing career. In addition to concepts and interventions for individuals, families, and communities, this text also incorporates real-life applications of the public nurse's role, Healthy People 2020 initiatives, new chapters on forensics and genomics, plus timely coverage of disaster management and important client populations such as pregnant teens, the homeless, immigrants, and more. Evidence-Based Practice boxes illustrate how the latest research findings apply to public community health nursing. Separate chapters on disease outbreak investigation and disaster management describe the nurse's role in surveilling public health and managing these types of threats to public health. Separate units on the public community health nurse's role describe the different functions of the public community health nurse within the community. Levels of Prevention boxes show how community public health nurses deliver health care interventions at the primary, secondary, and tertiary levels of prevention. What Do You Think? Did You Know? and How To? boxes use practical examples and critical thinking exercises to illustrate chapter content. The Cutting Edge highlights significant issues and new approaches to community-oriented nursing.
