Notes on creativity

Imagination is everywhere, we can capture it with the stroke of a pen

We can find it by viewing things from a different vantage point, gaining a new perspective

Searching for the extraordinary in the everyday

The first letter of a word... the first stroke of a pen... the first breath of a new idea... the first step of a new journey... the first spark of a new fire... the first drop of a new rain... the first note of a new song... the first page of a new book... the first page of a new life.

The second letter of a word... the second stroke of a pen... the second breath of a new idea... the second step of a new journey... the second spark of a new fire... the second drop of a new rain... the second note of a new song... the second page of a new book... the second page of a new life.
