World Geography and Cultures offers a fascinating view of the world enlivened by a meticulous presentation that focuses on the development of geographic literacy Every region is studied in three parts physical geography cultural geography and current events Publisher's website      *Diversities and Interculturality in Textbooks* Kaisa Hahl, Rita Johnson Longfor, Pia-Maria Niemi, 2015-04-01 Textbooks are crucial in shaping today's global and diverse world They can contribute to making it both better and more intercultural but also on occasion create limited and biased ideas about the Other This collected volume undertakes multidisciplinary research into textbooks taking one of the best education systems in the world Finland as an example The authors investigate the issue of diversities in textbooks from multiple perspectives disciplines school levels and content areas Together the chapters provide examples of hidden ideologies neo stereotyping and othering when looking beneath the surface of texts and illustrations The authors also present concrete tools that can be used for analysing diversities and interculturality in textbooks In addition the chapters will serve to develop teachers and students abilities to encounter diversities and similarities in ways that enhance their sensitivity self reflexivity and criticality This volume will be of interest for students in educational sciences pre service teachers and in service teachers of various school subjects teacher educators and researchers in the areas of subject didactics multicultural and intercultural education language education educational leadership curriculum and policy Forewords and Commentary by Jari Lavonen Karen Risager Adrian Holliday and Julie S Byrd Clark      **Textbooks and Educational Media: Perspectives from Subject Education** Péter Bagoly-Simó, Zuzana Sikorová, 2021-08-05 This book brings together empirical research and conceptual work on textbooks and education media from 13 countries and 17 disciplines Along with textbook production usage and development it also explores the interconnectedness of educational policy and teaching and learning materials Further the book offers insights into regional and local discourses e.g. specific theories of Portuguese and Spanish speaking countries as well as Nordic countries contrasting their theories with international literature practices and solutions with regard to teaching selected subjects at the pre primary primary secondary and tertiary level This book also discusses the specific combinations of subjects e.g. Physics Biology Geography Swedish English and their subject specific education e.g. Physics Education or Didactics Lastly it examines the work of a number of early career researchers giving them a voice and bringing in fresh ideas currently being developed in various countries around the globe This proceedings volume will appeal to publishers subject educators in primary secondary and tertiary education and academic researchers from the fields of textbooks educational media and subject specific education Its international authorship and explicit focus on subject specific particularities of educational media provide a unique and comprehensive overview      **A Bibliography of Recent Literature on the Teaching of Geography** Frederick Kenneth Branom, 1923      *Books for Schools and the Treatment of Minorities* United

States. Congress. House. Education and Labor,1966      **The Journal of School Geography** ,1922      New York State Education ,1925      **The Journal of Geography** ,1922      **State Adopted Textbooks; Circular for School Officers**  
Oregon. State Board of Textbook Commissioners,1925      **Language and Learning in a Post-Colonial Context** Marky  
Jean-Pierre,2015-09-25 This book explores the social political and historical forces that mediate language ideology and  
practices in post colonial education and how such ideology and practices influence students academic achievement Jean  
Pierre provides empirical evidence that a relationship exists between language practices and school underperformance He  
takes Haiti as the focus of study finding that students and teachers experience difficulty constructing knowledge in a setting  
in which the language they speak at home Creole differs from the language of instruction French The research is based on  
ethnographic data collected in classrooms in both private and public school settings in addition to different sectors of the  
society e g state and private institutions      **Curriculum Guide, English and Social Studies, Grades 7, 8, 9** Minneapolis

**Research in Africa** Charl C. Wolhuter,2018-12-01 The low demonstrable effect of education research done in South Africa  
in particular and Africa in general continues to be a problem in scientific records in the educational sciences This scholarly  
collected work addresses this obstacle and focuses on recommendations from scholars in different sectorial categories in the  
field of education Scholars from a variety of sub fields within the educational sciences reflect on this particular matter  
revisiting the history of research and research outcomes and offering informed recommendations based on in depth  
investigation and analysis of aspects of the various discourses within the relevant sub fields The scope of the content of this  
collected work centres on the issue of the lack of scientific records concerning the scientific raising of the impact of  
education research The book aims at making a specific contribution to the educational sciences by stimulating scholarly  
discussion around how to increase the recording of the significance of educational research done in Africa and in South  
Africa in particular and to redirect the research agenda into the direction of making more impact Impact is conceptualised to  
mean both scholarly impact that is being cited and being used as foundation for theory building and for further research and  
practical impact that is improvement of practice teaching and learning in education institutions at all levels      **Index to the**
