philosophy for with children and researching in this area **Language and Sustainable Development** Lisa J. McEntee-Atalianis, Humphrey Tonkin, 2023-03-03 This book addresses the importance of language in matters of sustainability and incorporating such concerns in implementing the UN's Sustainable Development Goals (SDGs). Sustainable language policy must aim to include all groups including language minorities and marginalized populations such as refugees and aid recipients in conditions that allow for their inclusion in making and implementing policy. The book brings together nine studies covering such topics as language and digital resources, sustainable and inclusive multilingual education, national language policy and language in peacekeeping operations. A final chapter addresses the crucial intersection between sociolinguistics and economics and the implications of this for development and the SDGs. *Understanding and Teaching Primary Geography* Simon Catling, Tessa Willy, 2018-06-18 This book outlines how good teaching of primary geography can extend children's world awareness and help them make connections between their environmental and geographical experiences. Chapters offer guidance on important learning and teaching issues as well as the use and creation of resources from the school environment to the global context. It covers all the key topics in primary geography including understanding places, physical and human geography, environmental sustainability, learning outside the classroom, global issues, citizenship and social justice. Summaries, classroom examples and practical and reflective tasks are included throughout to foster understanding and support the effective teaching of primary geography. The uniqueness of the book lies in its inclusive approach to accommodate a variety of readers including language and literacy teachers, practitioners and scholars. It uses two languages, namely English and isiXhosa, to address some of the critical issues on literacy teaching and learning and to disseminate knowledge to a diverse readership including parents, students, teachers and other relevant stakeholders who are committed to making a difference in the teaching and learning of literacy in different languages. The aim is to transform and enrich discourse on language and literacy development which is predominantly in English and does not include African languages that are also used as the main languages of learning and teaching in the Foundation Phase (Grades R-3). **Documents of the City of Boston** Boston (Mass.).
