Gender Ideas Interactions Institutions:

Gender Lisa Wade, Myra Marx Ferree, 2015 A lively exploration of current questions of gender and their application to students today **Gender: Ideas, Interactions, Institutions, 2e + Assigned: Life with Gender** Lisa Wade, Myra Marx Ferree, Douglas Hartmann, Christopher Uggen, 2018-12-04 *Gender: Ideas, Interactions, Institutions (Second Edition)* Lisa Wade, Myra Marx Ferree, 2019 Gender Lisa Wade, Myra Marx Ferree, 2018 An instant best seller and now the leading book for the course Wade and Ferree's *Gender* is a sophisticated yet accessible introduction to sociological perspectives on gender Drawing on memorable examples mined from history pop culture and current events *Gender* deftly moves between theoretical concepts and applications to everyday life New discussions of metoo toxic masculinity and gender politics in the Trump era help students participate in today's conversation about gender The new gold standard for sociology of gender courses Gender and Sexuality in the Classroom Marni Brown, Baker A. Rogers, Martha Caldwell, 2022-05-30 Create a more gender inclusive climate in your classroom and school This important book breaks down issues of gender and sexuality at the individual interactional and institutional level and shows how you can cultivate an atmosphere of acceptance and belonging for all students You'll learn key concepts and terms educators need to know to support students how gender and sexuality identities develop and influence mental health why we should take an intersectional approach with students and the importance of creating psychological safety in the classroom You'll also gain practical suggestions on how to disrupt unconscious bias represent diverse voices counteract microaggressions use gender neutral language and preferred pronouns address gender bullying provide safe zones and craft inclusive school statements Each chapter contains examples anecdotes from teachers and students best practices and resources to help you along the way Appropriate for educators of all grade levels this book's clear helpful advice will help you ensure that your students feel visible affirmed and safe so they can thrive in school and beyond *Gender and Seriality* Maria Sulimma, 2020-11-13 The notion of seriality and serial identity performance runs as a strong undercurrent through much of the fields of gender studies feminist theory and queer studies although the explicit analysis of a serial enactment of gender is surprisingly rare Whereas media studies and cultural studies based seriality scholarship can often overlook gender as an ongoing process this book defines gender as a serial and discursively produced intersectional entanglement of different practices and agencies It argues that serial storytelling offers such complex negotiations of identity that it is never adequate to consider the results of televisual gender performances as separate from the processes that produce them As such gender performances are not restricted to individual television programmes themselves but are also located in official paratexts such as making of documentaries interviews with writers and actors as well as in cultural sites like online viewer discussions recaps and fan fiction With case studies of series such as *Girls How to Get Away With Murder* and *The Walking Dead* this book seeks to understand how gender as a practice is generated by television narratives in the overlapping of text reception and production and explores which viewer practices

these narratives seek to trigger and draw on in the process

Threshold Concepts in Women's and Gender Studies Christie Launius, Holly Hassel, 2018-02-20 *Threshold Concepts in Women's and Gender Studies* Ways of Seeing Thinking and Knowing is a textbook designed primarily for introduction to Women's and Gender Studies courses with the intent of providing both skills and concept based foundation in the field The text is driven by a single key question What are the ways of thinking seeing and knowing that characterize Women's and Gender Studies and are valued by its practitioners Rather than taking a topical approach *Threshold Concepts* develops the key concepts and ways of thinking that students need in order to develop a deep understanding and to approach material like feminist scholars do across disciplines This book illustrates four of the most critical concepts in Women's and Gender Studies the social construction of gender privilege and oppression intersectionality and feminist praxis and grounds these concepts in multiple illustrations The second edition includes a significant number of updates revisions and expansions the case studies in all five chapters have been revised and expanded as have the end of chapter elements statistics have been updated and numerous references to significant news stories and cultural developments of the past three years have been added Finally many more callbacks to previous chapters have been incorporated throughout the textbook in order to remind students to carry forward and build upon what they have learned about each threshold concept even as they move on to a new one

Teaching Gender and Sex in Contemporary America Kristin Haltinner, Ryanne Pilgeram, 2016-04-28 This book provides innovative pedagogy theory and strategies for college and university professors who seek effective methods and materials for teaching about gender and sex to today's students It provides thoughtful reflections on the new struggles and opportunities instructors face in teaching gender and sex during what has been called the post feminist era Building off its predecessor *Teaching Race and Anti Racism in Contemporary America* this book offers complementary classroom exercises for teachers that foster active and collaborative learning Through reflecting on the gendered dimensions of the current political economic and cultural climate as well as presenting novel lesson plans and classroom activities *Teaching Gender and Sex in Contemporary America* is a valuable resource for educators

Race, Gender and Violence on the Transatlantic Extreme Right, 1969-2009 Simon A. Purdue, 2022-10-20 This book explores the central role that gender has historically played in violent far right movements and groups in a time of increasing political polarisation and rising extremism The author examines the way neo Nazis and white supremacists have constructed gender and how this has impacted on the practical role of men and women on the global extreme right between 1969 and 2009 giving valuable insight into the inner workings of the extremist fringe today In the context of rising violent ultra nationalism in the UK Eastern

Europe the USA India and Russia this transnational history of racist extremist movements offers a very necessary glimpse into the intimate personal politics of organised hate and into the ideological and organisational roots of our current moment In order to fully understand the extreme right it is essential to develop an awareness of the deep social foundations that underlie it By exposing the gendered basis of racist extremism in the USA and UK this book makes a necessary intervention in the field of far right studies shedding new light on the shadowy corners of the political spectrum and ultimately opening new avenues for countering hate on the personal political and academic level The book seeks to explain the intricate relationship between organised racist extremism and ideological misogyny and explores the fundamental contradictions and inconsistencies that underlie women s far right activism Offering historical context to the current social and political moment in which white supremacist and far right terror presents an immediate threat to security and stability in both the USA and the UK this book provides useful insights for those researching the history of fascism and the far right violent social movements and political activism as well as women s history and gender studies

Gender, Innovation and Education in Latin America Ingrid Jung, Linda King, 1999 An analysis of the theoretical framework and social contexts of women s non formal education in Latin America It documents the varied political and social contexts which have given rise to innovative experiences in education the legacy of the civil wars of Central America the exclusion of indigenous communities gender violence and the daily struggle for survival in societies where female headed households reflect the feminization of poverty levels

Doing Gender. Social Construction of Gender in School, 2022-02-02 Seminar paper from the year 2011 in the subject Gender Studies grade 1-3 Leuphana Universität Lüneburg language English abstract Gender role behavior is learned from an early age and encouraged by the role expectations of the environment Thinking in two sexes results in ideas and expectations in every human being as to how one s own or the opposite sex should be or behave These ideas are a formative and formative element in interaction and communication In this way gender is constantly being produced as a social construction in everyday life This process is called Doing Gender The institution of school is also a social system in which the construction of gender plays an important role As part of this work the topic of Doing Gender in primary school is dealt with The aim is to work out how teachers contribute to the construction of gender in primary school There are only a few studies on this not entirely uncomplicated field of school research to date This is surprising since teachers play an important role in the design of everyday school life First a basis for the further procedure is created by defining the terms gender and doing gender The next chapter deals in more detail with gender in primary school For this purpose the gender differences in terms of performance and interactions between pupils and teachers are also discussed Afterwards teaching examples will be used to show how Doing Gender takes place at school The last chapter explains how gender differences and stereotyping can be avoided by means of a gender sensitive school atmosphere For this purpose it is first presented what constitutes a gender sensitive school what challenges arise for the teachers and how the blockages to gender sensitive action can be put an end to

Gender, Rights, Development, and Islam Kari Bergstrom Henquinet, 2007 **Catalog** University of Colorado Boulder, 2009 *Gender Relations in a Global World* Virginia Guzmán, 2002 On January 20 1994 the worshippers at the Toronto Airport Vineyard Church began to feel the Holy Spirit move them They began to laugh uncontrollably collapse to the floor stagger as if drunk But what was truly startling in this occurrence now commonly known as the Toronto Blessing is that these manifestations keep appearing at the Toronto church and have sparked a worldwide charismatic revival Visitors from around the world have come and started revivals in their home churches upon return In *Main Street Mystics* Margaret Poloma explains what is happening with this contemporary charismatic revival without explaining it away From her unique position as both a scholar and a pilgrim Poloma offers an intimate account of the movement while always attempting to understand it through the lenses of social science She looks at Pentecostalism as a form of mysticism but a mysticism that engages Pentecostals and charismatics in the everyday world With its broad overview and up close portraits *Main Street Mystics* is essential for anyone wanting to understand the ever renewing movement of Pentecostalism [Seeing Nature Through Gender](#) Virginia Scharff, 2003 Environmental history has traditionally told the story of Man and Nature Scholars have too frequently overlooked the ways in which their predominantly male subjects have themselves been shaped by gender *Seeing Nature through Gender* here reintroduces gender as a meaningful category of analysis for environmental history showing how women's actions desires and choices have shaped the world and seeing men as gendered actors as well In thirteen essays that show how gendered ideas have shaped the ways in which people have represented experienced and consumed their world Virginia Scharff and her coauthors explore interactions between gender and environment in history Ranging from colonial borderlands to transnational boundaries from mountaintop to marketplace they focus on historical representations of humans and nature on questions about consumption on environmental politics and on the complex reciprocal relations among human bodies and changing landscapes They also challenge the ecofeminist position by challenging the notion that men and women are essentially different creatures with biologically different destinies Each article shows how a person or group of people in history have understood nature in gendered terms and acted accordingly often with dire consequences for other people and organisms Here are considerations of the ways we study sexuality among birds of William Byrd's masking sexual encounters in his account of an eighteenth century expedition of how the ecology of fire in a changing built environment has reshaped firefighters own gendered identities Some are playful as in a piece on the evolution of snow bunnies to shred bunnies Others are dead serious as in a chilling portrait of how endocrine disrupters are reinventing humans animals and water systems from the cellular level out Aiding and adding significantly to the enterprise of environmental history *Seeing Nature through Gender* bridges gender history and environmental history in unexpected ways to show us how the natural world can remake the gendered patterns we've engraved on ourselves and on the planet
