Winters, 2019-01-22 From award winning New York Times bestselling novelist Ben H Winters comes a mind bending novel set in a world governed by absolute truth where lies are as dangerous as murder In a strange alternate society that values law and truth above all else Laszlo Ratesic is a nineteen year veteran of the Speculative Service He lives in the Golden State a nation standing where California once did a place where like minded Americans retreated after the erosion of truth and the spread of lies made public life and governance impossible In the Golden State knowingly contradicting the truth is the greatest crime and stopping those crimes is Laz s job In its service he is one of the few individuals permitted to harbor untruths to speculate on what might have happened But the Golden State is less of a paradise than its name might suggest To monitor verify and enforce the truth requires a veritable panopticon of surveillance and recording And when those in control of the facts twist them for nefarious means the Speculators are the only ones with the power to fight back **Golden State** Michelle Richmond, 2014-02-04 The state of California votes on secession in the wake of a divisive presidential election in this gripping prescient novel of marriage family and the profound moments that shape our lives Doctor Julie Walker has just signed her divorce papers when she receives news that her younger sister Heather has gone into labor Though theirs is a strained relationship Julie sets out
