Meaning-Based Translation Mildred L. Larson, 1997-11-28 Meaning Based Translation is designed for training beginning translators and organized chapter by chapter as drill material for the textbook Meaning Based Translation The textbook emphasizes the importance of a translation being accurate clear and natural and the exercises give the student practice in achieving this goal The exercises follow closely the content of the textbook since this is a drill manual for added practice The textbook has some exercises as well but the workbook provides additional practice from one basic source thus giving students a wider variety of problems to solve during practice time It also provides material that can be used as homework or as testing material
