GOODBYE

To

Wow! It's been a year already!
It was a pleasure being your teacher. I'm proud of your many achievements this past year.

Keep aspiring to be everything you desire to be.

The sky is your limit!

As much as I'm sad to see you go, I'm excited for you to learn, grow, and shine your light as you enter another grade.

You are a fantastic kid. And I'm so thrilled to have had this opportunity to be your teacher.

The Dells Michael Blair, 2007-12-03 For Joe Shoe the return to his family home in north Toronto is more than just a trip down memory lane it s also a visit to a crime scene No sooner has Shoe arrived in his old neighbourhood than he discovers that police are investigating a murder in the ravine near his home And the murder victim is a man who lived in the neighbourhood 35 years earlier and who moved away while still a suspect in a series of rapes that occurred in the very ravine in which he was ultimately murdered The police investigation and Shoe s own inquiries becomes intensely personal as old friends girlfriends and even family members seem to have a connection to the murder victim and reasons to want him dead Compelling deeply emotional and at times even disturbing *The Dells* is an accomplished novel by one of Canada s rising stars of crime fiction
