## Homework expectations

Homework will be assigned every day except when stated otherwise. Homework is essential to ensure that scholars master the topics we learn in class. It will help scholars to do well on tests and be prepared for the seventh grade, high school, and college AP classes. All homework will be turned in at the beginning of class and graded for accuracy. The expectations for homework are that it will be neat, complete, and accurate. If you have questions about homework, my door will be open at 7:30 am for extra help.

Late homework or assignments will be accepted at a penalty of 10 points for every day it is turned in late.
