There are four different types of bullying:

Physical	Verbal
Physical bullying involves a person using force or violence against another person. This can include hitting, kicking, or pushing someone. Physical bullying can also involve taking someone's belongings or damaging their property.	Verbal bullying involves using words to harm someone. This can include name-calling, teasing, or making fun of someone. Verbal bullying can also involve spreading rumors or making threats.
Emotional	Cyber
Emotional bullying involves using psychological tactics to harm someone. This can include making someone feel self-conscious or embarrassed. Emotional bullying can also involve isolating someone from their friends or family.	Cyber bullying involves using technology to harm someone. This can include sending mean text messages or social media posts. Cyber bullying can also involve impersonating someone or posting false information about them.
