My Name is Rogue: A Human Mate Werewolf Romance Ale,2022-12-30 South Viscount This town is far from normal It is hidden and surrounded by woods You would hardly imagine that people were living here I don t know what my fate will be in this place But I had no choice The moment I decided to break loose I knew I had to keep myself safe from his cruelty Despite everything I have gone through I m still grateful that I have someone to lean on After I escaped that night I was immediately sent here At first I thought it was just an ordinary town away from the crowded city But I was wrong Since my first day here I have noticed something strange I ignored it at first and chose to live peacefully in this new place But as time went on more strange things would uncover before my very eyes and that made me even more curious What s in South Viscount Who is this Alpha and what is my connection to him In my most private thoughts I knew I had to find answers to all the questions that repeatedly plagued my mind I need to know exactly what I got myself into

In the Land of the Vikings Alden Frostwell,2025-06-09 In the Land of the Vikings follows Erik a young boy with big dreams of becoming a Viking warrior As he journeys through the fjords of Scandinavia Erik discovers the fascinating culture of the Vikings From mighty ships that sail across the seas to the gods who control thunder and wisdom Erik learns about Viking traditions their respect for nature and the importance of family Along the way Erik s adventures teach him valuable lessons about bravery respect and the deep connections the Vikings had with their land gods and each other

Eighteen Wheels North to Alaska Cliff Bishop,2009-10-01 In spite of the obstacles the Alaska truckers were presented with they never weakened in their determination to get the job done These pioneer drivers never conquered or tamed Alaska s roads and weather but they learned to operate on the back trails and paths always making their way to the trip s end In spite of all the challenges they never quit The following from Teddy Roosevelt is an appropriate salute to Alaskan truckers It is not the critic who counts not the man who points out how the strong man stumbles or where the doer of deeds could have done better The credit belongs to the man who is actually in the arena whose face is marred by dust and sweat and blood who strives valiantly who errs and comes up short again and again because there is no effort without error or shortcoming but who knows the great enthusiasms the great devotions who spends himself for a worthy cause who at the best knows in the end the triumph of high achievement and who at the worst if he fails at least he fails while daring greatly so that high place shall never be with those cold and timid souls who knew neither victory nor defeat Eighteen Wheels North to Alaska A History of Trucking in Alaska is the story of Alaskan drivers who guided coaxed pushed pulled plowed and somehow made it to the end of the road and beyond over high mountain passes whiteout conditions seventy below zero temperature through mud muck and tundra terrain even onto the Arctic Ocean ice beyond the shore
