A vertical sidebar on the left side of the PDF viewer. At the top, it says "Page Thumbnails" with a close button (X). Below this is a toolbar with icons for zooming in and out, and a search icon. The main area contains a grid of eight small thumbnail images representing the pages of the document. The thumbnails show various parts of the service manual, including the cover, a table of contents, and technical diagrams.

The main content area displays the cover of a service manual. At the top right is a photograph of a Genie Z-34/22 IC scissor lift. The word "Genie" is written in a large, bold, sans-serif font across the middle. Below the brand name, the text "Service Manual" is prominently displayed. Underneath that, in smaller text, it says "Refer to inside cover for additional serial number information". To the right of this text, there is a box containing the following information: "Part No. 119007", "Rev. A", and "June 2007". Below the main title, the model number "Z-34/22 IC" is shown in a large font, with the note "(from serial number 1187 to 2241)" underneath it. The background of the cover features a faint technical diagram of the lift's scissor mechanism.
