

1st Grade Letter Home To Parents

Dear Parents,

I hope this letter finds you well. I wanted to take a moment to update you on our class activities and progress.

In reading, we have been learning to identify and sound out letters and words. We have also been practicing our comprehension skills by reading stories and answering questions about them.

In math, we have been working on counting and basic addition and subtraction. We have also been learning about shapes and patterns.

We have been exploring science by learning about animals and their habitats. We have also been conducting simple experiments to learn about the properties of matter.

In social studies, we have been learning about our community and the people who help us, such as police officers, firefighters, and doctors.

Overall, your child has been working hard and making great progress. Please continue to encourage them to read and practice their math skills at home.

Thank you for your support and involvement in your child's education.

**Sincerely,
[Teacher's Name]**
