Developing Higher-level Literacy in All Students Thomas G. Gunning, 2008 Help your students develop higher level
literacy skills required by today's demanding curriculum and high stakes tests with Thomas Gunning Known for his practical
research based approach Dr Gunning offers classroom teachers the tools to promote higher level literacy in all students In
his new book he presents assessment procedures in a step by step format to guide teachers in reading assessment and
includes model lessons for all strategies and techniques Teachers rave about Thomas Gunning's strategies to promote higher
level skills I think this book would make an exceptional subject for an in service workshop for all teachers of any school since
the strategies can be applied at any grade level I would enjoy participating or teaching a workshop of these ideas The author
seems to have created a knowledge base that is desperately needed in today's educational environment especially in the
world of high stakes testing merit pay and low performing schools Sylvia Hoke MacArthur Junior High School AR I find the
organization of the book logical moving from an overview of specific issues to assessment to remedies and application The
writing style is personable and clear The anecdotes and practical applications are of course the good stuff and it is impossible
to ever have enough of them Polly Bill Brandywine School District DE Take a look inside Provides step by step lessons
examples and practice materials for each higher level literacy teaching strategy Addresses the needs of struggling learners
with examples of maximum scaffolding that is gradually reduced to help teachers instruct all students Presents systematic
specific instruction from easiest to complex and provides a comprehensive program for teaching students how to respond to

higher level constructed response questions Aligns instruction with assessment of higher level skills Meet the author Dr Thomas Gunning currently teaches at Central Connecticut State University He has conducted research on word recognition strategies and has created his own word analysis program which is known as Word Building Dr Gunning has also created a number of informal assessment devices and conducted research on higher level literacy skills and reading interests He has devised a collaborative comprehension approach known as Reading Seminar Dr Gunning has written several published comprehension programs two published programs for struggling readers in the secondary school and a number of books for pre service and inservice teachers including Creating Literacy Instruction for All Students Sixth Edition 2008 Assessing and Correcting Reading and Writing Difficulties 2006 Closing the Literacy Gap 2006 Building Literacy in the Content Areas 2003 and Building Words A Resource Manual for Teaching Word Analysis and Spelling Strategies 2001 All are published by Allyn Bacon
