and the Lord's Resistance Army

First Kill Your Family

James Legge

First Kill Your Family:

First Kill Your Family Peter Eichstaedt, 2013-04-01 Richard Opio has neither the look of a cold blooded killer nor the heart of one Yet as his mother and father lay on the ground with their hands tied Richard used the blunt end of an ax to crush their skulls He was ordered to do this by a unit commander of the Lord s Resistance Army a rebel group that has terrorized northern Uganda for twenty years The memory racks Richard s slender body as he wipes away tears For more than twenty years beginning in the mid 1980s the Lord s Resistance Army has ravaged northern Uganda Tens of thousands have been slaughtered and thousands more mutilated and traumatized At least 1.5 million people have been driven from a pastoral existence into the squalor of refugee camps The leader of the rebel army is the rarely seen Joseph Kony a former witchdoctor and self professed spirit medium who continues to evade justice and wield power from somewhere near the Congo Sudan border Kony claims he not only can predict the future but also can control the minds of his fighters And control them he does the Lord s Resistance Army consists of children who are abducted from their homes under cover of night As initiation the boys are forced to commit atrocities murdering their parents friends and relatives and the kidnapped girls are forced into lives of sexual slavery and labor In **First Kill Your Family** veteran journalist Peter Eichstaedt goes into the war torn villages and refugee camps talking to former child soldiers child brides and other victims He examines the cultlike convictions of the army how a pervasive belief in witchcraft the spirit world and the supernatural gave rise to this and other deadly movements and what the global community can do to bring peace and justice to the region This insightful analysis delves into the war s foundations and argues that much like Rwanda s genocide international intervention is needed to stop Africa s virulent cycle of violence

First Kill Your Family Peter H. Eichstaedt, 2009 Describes the experiences of children kidnapped into service for the Lord s Resistance Army in Uganda in which boys are required to complete brutal initiations murdering their parents friends and relatives and girls are forced into sexual slavery and labor

First Kill Your Family Peter Eichstaedt, 2013-04-01 Told through the voices of those who have suffered this illuminating expos examines how a forgotten region of one of Africa s most promising nations Uganda dubbed the pearl of Africa by Winston Churchill has been systematically destroyed by a bloody senseless and seemingly endless war that has gone largely unnoticed by the rest of the world For the past 20 years the Lord s Resistance Army has ravaged northern Uganda and has been led by the reclusive Joseph Kony a former witch doctor and self professed spirit medium Through the large scale abduction and manipulation of children Kony transformed his army into an efficient killing machine that has murdered nearly 100 000 and displaced two million people Kony utilized the society s pervasive belief in witchcraft to instill cultlike convictions in his fighters This insightful analysis delves into the war s foundations and argues that much like Rwanda s genocide international intervention is needed to stop Uganda s virulent cycle of violence This updated paperback edition includes a new afterword by the author that discusses developments since 2008 including failed attempts to capture Joseph Kony and the controversial Kony 2012
