First Times Kacie:

Kacie's Pass Sara Burton,Chris Burton,1999-01-01 *From the Start* Cheryl Etchison,2017-05-23 The Rangers of the 1st 75th fight hard train hard and play hard They are physically strong and mentally tough disciplined and courageous But all their military training hasn't prepared them for falling in love For many women Ranger Battalion Surgeon Michael MacGregor is the ideal man He's far better than average looking a generous tipper not to mention an officer and a doctor So when he encounters a woman resistant to his charms he finds himself intrigued Kacie Morgan has had her fill of arrogant military men since the last one left her with a shattered heart and one heck of a career rut Now with her prestigious fellowship starting in the fall all she has to do is survive the summer and her little sister's wedding When an ill fitting bridesmaid dress has Kacie wanting to temporarily shake things up in her carefully planned life she knows just the man to call They agree to a no strings summer fling although it isn't long before Michael wants Kacie for forever But to win her heart he'll have to confront the nightmares from his past if they're to have any chance at a future **Treasures &**

Pleasures Bobbi Smith,2016-08-15 Eden's Gate Kacie Cameron fell in love with Eden's Gate Plantation when she read of its history Drawn by a tremendous longing to learn more she made a trip to Eden's Gate When Kacie saw the portrait of the original owner's son Bradford Hampton for the first time the power of the feelings that swept through her almost frightened her She told herself it was crazy to react that way to the portrait of a dead man of a man who'd died in a steamboat explosion so long ago The gut wrenching emotions churning within her as she'd stared up at the dark haired handsome Brad's compelling features did not disappear though and when she is miraculously swept back in time she knows she must find a way to save him from that terrible fate Something Blue Stationed in Arizona Cavalry Captain Philip Long returns to Boston for the reading of his wealthy father's will and to settle the estate Philip is deeply troubled when he learns his father added a clause to the will that dictates he must marry within six months and stay married for a year or he will lose every cent of his inheritance Unless he chooses to walk away from his fortune Philip knows he's trapped But when he rescues young saloon girl Mattie Jackson from an attack by some vicious drunks on his trip back to Fort McDowell he believes he's found the answer to his problem He'll propose a marriage in name only to Mattie to save her from the life she's been forced to lead and once their year together is over he'll pay her a substantial amount so they can part ways Or will they Love might just interfere Lottery of Love Elise Matthews has worked hard to make her catering service a success in order to support herself and her younger brother Rod after their parents died and she buys lottery tickets every week just to keep up the tradition her father had When she lands a contract with the rich owner of the local football team she's ecstatic She rushes to the auto body shop where Rod works to tell him and their friend Zach Thomas who owns the shop the news Zach is happy for Elise He secretly loves her and has always wanted the best for her but now that she'll be dealing with the rich folks on a regular basis he fears she won't have much use for a regular working guy like him anymore Elise has always longed to be rich and when

the team owner proposes to her she finds herself torn between the surprising love she's finally realized she feels for Zach and the prospect of marrying a very wealthy man Will true love win out Will Zach win The Lottery of Love Time Stolen Love For an investigative report on serial killers television reporter Roni Mitchell is in London walking the streets of Whitechapel where Jack the Ripper once roamed In an antique store she finds a gold pocket watch that was found at the scene of one of the Ripper's murders As she is heading back to her hotel she hears the muted sound of a chime Puzzled she opens the box to discover the watch is working Suddenly seemingly out of nowhere a dark threatening figure attacks her Roni manages to escape but as she flees she realizes she's traveled back to the time of the Ripper and that she can now research her story firsthand
