Fishing Guide Goodland Chris:

Fishing Guide to South of Sydney Gary Brown, 2010 New South Wales is a great mainland state for fishing and the percentage of people who live along this coast and don't fish is very small. Fishing Guide to South of Sydney contains the latest and most up to date information about this very popular area. Gary Brown reveals all of the fishing secrets of the coast from Stanwell Park Beach north of Wollongong to Batemans Bay. For about 470 hot fishing spots Gary tells you what fish you can find there, the best time of day and tide and place to fish along with the right method, bait and or lure to use for these fish. 32 detailed colour maps show exactly where each spot is, the local landmarks, access points and boat ramps.
