Monday, June 22, 2014 – 1:15 to 2:15 p.m.
(early start) – 2:15 p.m. –
2:45 p.m. (late start) – 3:00 p.m. –

General Directions:

During the course of this examination period, students are encouraged to bring up to three pages of notes, which must contain handwritten information about all relevant concepts taught in class. These notes must be on the writing surface(s) of the course booklet.

After your notes are filed in the booklet of the course booklet, begin the examination by following the directions for Part I as given below.

Directions: Part I

Answer questions on your notes in Spanish and read the directions for Part I. After reading, you may read and underline the relevant parts of the booklet, using the PLACS code, according to the following:

When you read questions in Part I, write questions in Spanish on a separate page, or file the card about the page. Underline carefully relevant code passage, and write down handwritten information on English notes. Then you will hear the passage in Spanish once. After you have heard the passage in the booklet, you will hear the questions in English once. The questions in this part are given in your test booklet. After you have heard the questions, you will hear them again clearly several times, hearing the code questions. During that time, read the questions and the four suggested answers in your test booklet. Choose the best suggested answer on the English test booklet. After you have heard the passage and written the question in the space provided, you cannot change. You should not read the questions and the suggested answers while hearing a listening to that passage. This will allow you to give all your attention to what is heard. It is advised to stop.
