—What is the Beringian theory?

Beringia was basically the exposed floor of the Bering Sea between and around Siberia and Alaska. The Bering Strait was part of Beringia, and it connected the two land masses of Siberia and Alaska. Historians theorize that our ancestors crossed the Bering Strait from Siberia into Alaska during the last Ice Age.

— What does Pre-Columbian mean?

relating to the history and cultures of the Americas before the arrival of Columbus in 1492.

—What does Mesoamerica mean?

Mesoamerica, translating to "middle America" refers to the central area from the City of Mexico to Honduras.

—Sister cultures exist at the same time and share their cultures. What is a mother culture?

A mother culture refers to the culture that proposed the sisters, saying that the sister cultures rose from the mother.

—include several achievements for each of the following civilizations:

Olmec achievements, (1200-400 BC) were the first civilization in Central America. They built several cities with stone buildings and temples, as well as the colossal "heads" (up to 9 ft. or 3 m tall) that are their notable legacy.

Their civilization was centered on three rivers that empty into the Bay of Campeche in the Gulf of Mexico, along the central east coast of Mexico. They established trade with other native groups in Central America, developed agriculture, and created intricate artwork in pottery, stone, and jade. They may have developed a written system of

World History Vocabulary Workbook Lewis Morris, Learn the Secret to Success on the World History Course and Exams Ever wonder why learning comes so easily to some people This remarkable workbook reveals a system that shows you how to learn faster easier and without frustration By mastering the hidden language of the subject and exams you will be poised to tackle the toughest of questions with ease We've discovered that the key to success on the

World History Course and Exams lies with mastering the Insider's Language of the subject. People who score high on their exams have a strong working vocabulary in the subject tested. They know how to decode the vocabulary of the subject and use this as a model for test success. People with a strong Insider's Language consistently perform better on their exams. Learn faster and retain more information. Feel more confident in their courses. Perform better in upper level courses. Gain more satisfaction in learning. The World History Vocabulary Workbook is different from traditional review books because it focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long term memory. The World History Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success. After nearly 20 years of teaching, Lewis Morris discovered a startling fact. Most students didn't struggle with the subject; they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject, there was a list of essential words that when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the Insider's Words. When he applied these Insider's Words, the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this Insider's Language to students around the world.
