Football Is a Numbers Game Matthew Collier, 2023-10-03 In the 1980s Neil Hornsby was one of very few National Football League fans in England Never one to do anything casually he began keeping hand written score sheets of every game using his own tracking system Soon he d enlisted some fellow British super fans in his mission to take football information an extra layer deeper This was the beginning of Pro Football Focus an analytics company that now supplies data to all 32 NFL teams and every major broadcasting corporation PFF player grades appear on the screen during Sunday Night Football broadcasts and PFF s pioneering research and analysis informs discussions at the highest level from coaching to drafting to game planning and player evaluation In *Football Is a Numbers Game* Matthew Collier chronicles this improbable start up tale with unprecedented access exploring the company s origin as a band of obsessive outsiders its pivotal acquisition by Cris Collinsworth and its role in the proliferation of data in the NFL and professional sports Featuring a cast of memorable characters this is a portrait of an unlikely business success as well as a behind the scenes look at the forces guiding modern NFL teams as they search for a competitive edge **Football and Manliness** Thomas P. Oates, 2017-03-30 Women African Americans and gays have recently upended US culture with demands for inclusion and respect while economic changes have transformed work and daily life for millions of Americans The national obsession with the National Football League provides a window on this dynamic period of change reshaping ideas about manliness to respond to new urgencies on and beyond the gridiron Thomas P Oates uses feminist theory to break down the dynamic cultural politics shaping and shaped by today s NFL As he shows the league s wildly popular product provides an arena for media producers to work out and recalibrate the anxieties contradictions and challenges that characterize contemporary masculinity Oates draws from a range of pop culture narratives to map the complex set of theories about gender and race and to reveal a league and fan base in flux Though longing for a past dominated by white masculinity the mediated NFL also subtly aligns with a new economic reality that demands it cope with the shifting relations of gender race sexuality and class Indeed pro football crafts new meanings of each by its canny mobilization of historic ideological processes **Lloyd's Register** **OneOcean's Guide to Port Entry 1993-94 Kenya-Zaire** Lloyd's Register Foundation, 1993-01-01 First published in 1971
