Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector s guide with pricing included and a retrospective view of the medium **Church and State in America: A Bibliographical Guide** Bloomsbury Publishing, 1987-08-14 The second in a two volume bibliography on church state relations in U S history this book contains eleven critical essays and accompanying bibliographical listings on periods or topics from the Civil War to the present day Each essay reviews the available relevant literature and the listings emphasize critical studies and documents published in the last quarter century This reference work will enable the reader to grasp the historiographic issues become acquainted with the resources available and move on to interpret current as well as past issues more knowledgeably and effectively Hip Hop in America: A Regional Guide Mickey Hess, 2009-11-25 An insightful new resource that looks at the rise of American hip hop as a series of distinct regional events with essays covering the growth of hip hop culture in specific cities across the nation Thoroughly researched thoroughly in tune with the culture Hip Hop in America A Regional Guide profiles two dozen specific hip hop scenes across the United States showing how each place shaped a singular identity Through its unique geographic perspective it captures the astonishing diversity of a genre that has captivated the nation and the world In two volumes organized by broad regions East Coast West Coast and Midwest and the Dirty South Hip Hop in America spans the complete history of rap from its 1970s origins to the rap battles between Queens and the Bronx in the 1980s from the well publicized East Coast vs West Coast conflicts in the 1990s to the rise of the Midwest and South over the past ten years Each essay showcases the history of the local scene including the MCs DJs b boys and b girls label owners hip hop clubs and radio shows that have created distinct styles of hip hop culture *Readers' Guide to Periodical Literature* ,1923 Reader's Guide to Periodical Literature Supplement ,1916 These vols contain the same material as the early vols of Social sciences humanities index Television Westerns Episode Guide Harris M. Lentz, 1997 Since Hopalong Cassidy and the Lone Ranger blazed their first trails on

television in 1949 Westerns have been the genre of choice for 180 series Some Gunsmoke Bonanza and Maverick for example were classics others such as 26 Men and Shotgun Slade were quickly forgotten From Adventures of Briscoe County through Zorro and Son this comprehensive reference work covers all 180 Western series Each entry opens with a listing of the broadcast history of the series including original network day and time This is followed by a listing of the regular cast members and a brief premise of the series The individual episodes are then covered with the title original air date leading guest stars and a brief synopsis given An exhaustive index completes the work Guide to America; a Treasury of Information about Its States, Cities, Parks, and Historical Points of Interest ,1947 **Trading Spaces Ultimate Episode Guide** Amy Tincher-Durik,2003 Covers seasons 1 through 3 **The Emigrant's Guide to the Western States of America, Or, Backwoods and Prairies** John Regan,1852 **Subject Guide to Books** ,1921 Contents v 1 History travel description **World War II and the Postwar Years in America** William H. Young,Nancy K. Young,2010-09-17 More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history describing the everyday activities of Americans as they dealt first with war and then a difficult transition to peace and prosperity The two volume World War II and the Postwar Years in America A Historical and Cultural Encyclopedia contains over 175 articles describing everyday life on the American home front during World War II and the immediate postwar years Unlike publications about this period that focus mainly on the big picture of the war and subsequent economic conditions this encyclopedia drills down to the popular culture of the 1940s bringing the details of the lives of ordinary men women and children alive The work covers a broad range of everyday activities throughout the 1940s including movies radio programming music the birth of commercial television advertising art bestsellers and other equally intriguing topics The decade was divided almost evenly between war 1940 1945 and peace 1946 1950 and the articles point up the continuities and differences between these two periods Filled with evocative photographs this unique encyclopedia will serve as an excellent resource for those seeking an overview of life in the United States during a decade that helped shape the modern world *Television in Black-and-white America* Alan Nadel,2005 La couverture indique Alan Nadel s new book reminds us that most of the images on early TV were decidedly Caucasian and directed at predominantly white audiences Television did not invent whiteness for America but it did reinforce it as the norm particularly during the Cold War years Nadel now shows just how instrumental it was in constructing a narrow conservative and very white vision of America During this era prime time TV was dominated by adult Westerns with heroes like The Rebel s Johnny Yuma reincarnating Southern values and Bonanza s Cartwright family reinforcing the notion of white patriarchy programs that Nadel shows bristled with Cold War messages even as they spoke to the nation s mythology America had become visually reconfigured as a vast Ponderosa crisscrossed by concrete highways designed to carry suburban white drivers beyond the moral challenge of racism racial poverty and increasingly vocal civil rights demands *American Militarism and Anti-Militarism in Popular Media, 1945-1970*

Lisa M. Munday, 2012-01-27 Scholars have characterized the early decades of the Cold War as an era of rising militarism in the United States but most Americans continued to identify themselves as fundamentally anti militaristic To them militaristic defined the authoritarian regimes of Germany and Japan that the nation had defeated in World War II aggressive power hungry countries in which the military possessed power outside civilian authority Much of the popular culture in the decades following World War II reflected and reinforced a more pacifist perception of America This study explores military images in television film and comic books from 1945 to 1970 to understand how popular culture made it possible for a public to embrace more militaristic national security policies yet continue to perceive themselves as deeply anti militaristic [The Year That Made America](#) Tom McMillan, 2025-04-15 The untold story of how America s declaration of independence hinged on seven critical months in 1776 and the courageous votes that changed the world forever This gripping account reveals the precarious path to American independence through a series of pivotal dates that history has nearly forgotten While July 4th claims the glory the actual vote for independence came on July 2nd and even that historic moment almost didn t happen From January s publication of Common Sense to December s darkest hours of the Revolution McMillan reconstructs the dramatic months when rebellious colonies transformed into a new nation Through meticulous research and compelling storytelling the book reveals How the pivotal events of May 15 June 7 and July 2 shaped America s destiny Why Congress s bold January declaration triggered a chain of unstoppable events The behind the scenes feud between Adams and Jefferson on their views of government after independence was won How the Declaration s influence extended from Lincoln s Gettysburg Address to modern times This timely narrative strips away the myths to expose the raw political courage that launched a revolution From heated Congressional debates to the dangerous aftermath of declaring independence McMillan delivers a fresh perspective on America s founding that resonates powerfully with today s political challenges **The Standard Concert Guide** George Putnam Upton, 1917 **The Complete Anime Guide** Trish Ledoux, Doug Ranney, 1997 The one stop reference to Japanese animation Everything you ever wanted to know about anime in America More than 1 200 home video titles an alphabetical listing of ever domestic anime home video available during 1996 including video sleeve reproduction program synopsis production credits technical notes and content advisory Television series a review of most of the Japanese animated TV series broadcast in the U S including synopsis cast of characters and production credits Anime suppliers Fan Resources Anime genres **A Guide to South America** William Alfred Hirst, 1915 [The Canadian Guide-book...](#) , 1891 [TV Guide](#) , 2006
