Madness Roald Dahl, 2016-08-25 PERFECT for fans of Roald Dahl. Think you know Dahl? Think again! There's still a whole world of Dahl to discover in a newly collected book of his deliciously dark tales for adults. There is a pleasure sure in being mad which none but madmen know. Our greatest fear is of losing control of our lives but most of all of ourselves. In these ten unsettling tales of unexpected madness, master storyteller Roald Dahl explores what happens when we let go our sanity. Among other stories you'll meet the husband with a jealous fixation on the family cat, the landlady who wants her guests to stay forever, the man whose taste for pork leads him astray, and the wife with a pathological fear of being late. Roald Dahl reveals even more about the darker side of human nature in seven other centenary editions: Cruelty, Lust, Deception, Innocence, Trickery, War, and Fear.

At the Dusk of Madness Joshua Bunnell, 2025-09-12. A Collection of Short Stories. The stories in this collection stretch across a wide canvas of genres: horror, science fiction, and poetic fables, just to name a few. However, they are all united by a common thread: the examination of what truly separates the sane from the insane, the natural from the supernatural. Redcap Asylum: A doctor's investigation into her patient's claim that a mythical being is to blame for his incarceration. Plague of Consequences: A town tries to bury its dark secret and inevitably must face the consequences. The Damned: Rain. On his death, a man stands trial for his life of sinful deeds. Along with a BRAND NEW story written just for this edition: The Creature. A man's dark warning of his spiral into an abyss of horror shrouded within the dark, unlit alleyways of London. These and many more await.
