

# Prayers For A Flag-Raising Ceremony

[Grace-prayers.com](http://Grace-prayers.com)

Heavenly Father,

As we gather beneath the open sky to raise our nation's flag, we come before You with hearts full of gratitude and reverence. We recognize the symbol of unity, freedom, and sacrifice that this flag represents. Just as the psalmist declared in [Psalm 33:12](#), "Blessed is the nation whose God is the Lord, the people he chose for his inheritance."

Lord, we lift up this flag as a reminder of the countless lives that have been given to secure our freedoms. We're reminded of the words of Jesus in [John 15:13](#), "Greater love has no one than this: to lay down one's life for one's friends." We remember the sacrifices made by our soldiers, first responders, and citizens who have shown unwavering devotion to our land.

As this flag flutters in the wind, may it remind us of the diversity that enriches our nation. Just as the body of Christ is made up of many parts, so too is our country comprised of various backgrounds and cultures, as noted in [1 Corinthians 12:12-14](#). We pray that our unity will continue to grow stronger, bridging gaps and fostering understanding.

May this flag also remind us of our responsibility to be good stewards of the land You've entrusted to us. Your Word tells us in [Genesis 1:28](#), "God blessed them and said to them, 'Be fruitful and increase in number; fill the earth and subdue it.'" May we use our resources wisely, caring for the environment and leaving a legacy of beauty for generations to come.

Finally, Lord, we pray for Your divine protection over our nation. Just as the psalmist declared in [Psalm 20:7](#), "Some trust in chariots and some in horses, but we trust in the name of the Lord our God," may we always place our ultimate trust in You. May this flag-raising ceremony serve as a reminder of Your providence and grace.

In the name of Jesus, the Prince of Peace, we lift up these prayers.

Amen.

The Elusiveness of Peace in a Suspect Global System Tatah Mentan, 2024-11-29 A convenient veil is drawn over the many issues facing the majority of citizens on a daily basis as a result of the so called free market One is left with an impression that we live in a glorious utopia in which the crusaders of international capitalism continue in their quest to make life peaceful and better for all of humanity It is also a world which has been at peace for 70 years with no ideological or economic conflict and in which all of humanity live their lives in harmony benefiting from the fruits of globalization This claim is nothing less than the rearrangement of the deck chairs on the Titanic where the Titanic is actually the Global Economic Financial System GE FS storming its way through all countries and causing untold human suffering engineered by global pathocrats In this book Professor Tatah Mentan dissects human suffering from multidimensional crises such as terrorism population explosion denial of human rights economic inequality racial discrimination ideological extremism religious intolerance social injustice ecological imbalance consumerism oppression of the weak and so on He then calls for a radical global ethics that expects us to realize our roles and duties regarding global peace It includes the role and ideals of educationalists the duties of scientists philosophers and thinkers the inculcation of human values such as nonviolence and love

**Subtle Activism** David Nicol, 2015-08-24 Can awakened consciousness contribute to social change and if so how David Nicol introduces the concept of subtle activism to describe the use of consciousness based practices like meditation and prayer to support collective transformation such as global meditation directed toward peaceful resolution of a conflict Subtle activism represents a bridge between the consciousness movement and the movements for peace environmental sustainability and social justice It is not a substitute for physical action but rather a potentially crucial component of a more integrated approach to social change Although ancient lore is rife with tales of shamans and adepts intervening on spiritual levels for the benefit of humanity this book is the first comprehensive treatment of this topic Nicol grounds his consideration in the available scientific research and in dialogue with a broad range of thinkers in the fields of consciousness studies transpersonal theory and New Paradigm thought
