

Tailored after the larger, highly successful Venture 21, the Venture 17 trailerably, can be launched and recovered from its trailer at any convenient beach or ramp, and can be moored in a standard sized garage. Initial cost is phenomenally low, maintenance costs are virtually non-existent, and there will be no hoist, mooring or slip fees.

The Venture's retracting lead ballasted keel raises and lowers with a small winch in the cockpit. With the keel locked in the down position, the boat is self-righting and extremely stable, providing safety not found in most boats anywhere near its size. The cockpit is self-bailing. Rain or spray simply drains out the large scupper in the cockpit floor without entering the weathertight cabin. Positive foam flotation provides that vitally important extra margin of safety found in few other keel boats.

With the keel up, the shallow draft permits exploration of sailing waters often inaccessible to other keel boats and makes launching and nosing up to the beach a real breeze.

The 17 can be launched and rigged by one person in a matter of minutes. The rigging is simple and efficient and the cockpit layout permits easy single handed sailing.

The boat balances beautifully. Only a light touch on the tiller is necessary under virtually any conditions. Maneuverability is outstanding. She will come about in nearly her own length, and is totally free from bad habits. She has the feel and stability of a much larger boat, with speed and performance comparable to most lightweight centerboarders.

The high sail area to weight ratio will let her plane readily, and the deep, efficient keel enables her to sail into the wind higher and faster than many out-right racing machines. You will find the Venture 17 an outstanding performer on all points of sailing.

The large cockpit seats six adults. The nicely appointed cabin has four full size bunks, full sitting headroom, and provides plush comfort that is unbelievable in a boat of this size. There is ample storage area for cruising gear, and plenty of room for the optional head and galley.

The 17 is sturdy and well built. Her ruggedness has been tested through thousands of hours of sailing in all types of weather conditions. Only the finest materials and hardware are used in her construction, and each boat is subject to careful quality inspection at each stage of production.

Like the Venture 21, the 17 has broken all sales records for small cruising sailboats. High volume production of the 17 has enabled us to use tightly controlled and standardized production processes to assure that you receive the finest possible boat at the lowest possible cost.

Let your nearest dealer introduce you to the Venture 17, and to carefree sailing at its finest.
