Ibeagha-Awemu,Sunday O. Peters,Appolinaire Djikeng,John E. O. Rege,2025-12-02 This open access book is a rich resource that chronicles the abundant livestock genetic resources in Africa Organized in five sections the chapters trace special productive and adaptive attributes of African livestock breeds past breed improvement efforts capacity building and strategies to effective utilization of available genetic resources in the era of modern technologies The authors cover major farm animal groups as well as dromedaries rabbits and grasscutters In view of the UN Sustainable Development Goals in particular SDG 2 Zero Hunger and SDG 15 Life on Land the purpose of this volume is to catalogue opportunities that can be leveraged with available technologies and technical knowhow for achieving rapid genetic gain and improved livestock

productivity in Africa It fosters the utilization of genetic resources and the protection of indigenous livestock biodiversity Natural selection and humans have generated genetically diverse breeds of domesticated farm animals which can significantly contribute to the livelihoods of millions of Africans today Africa s indigenous livestock are particularly hardy and well adapted to local production contexts having evolved adaptations to the continent s diverse climatic conditions and environmental pressures In spite of the wealth of desirable genetic traits however some of Africa s iconic and lesser known livestock are disappearing at an alarming rate Moreover despite increasing recognition of what this diversity portends little has been done to understand and optimally harness the full potential of these genetic resources By combining scientific basis and practical instructions this work is a valuable manual for a diverse readership including students researchers livestock farmers livestock and non governmental organizations policy makers and business professionals who want to understand the uniqueness of African livestock genetic resources production systems and strategies for sustainable improvement for the African environment

*Medical Assisting - E-Book* Diane M. Klieger, 2013-08-09 Saunders Essentials of Medical Assisting 2nd Edition is designed to give you just the right amount of the essential information you need to prepare for your career as a medical assistant. It covers all of the need to know information in an organized, approachable format. The condensed information is perfect for shorter programs of study and as a review tool for certification or re-certification for practicing medical assistants. Full color and visually oriented, this text presents information in manageable segments that give you all the relevant facts without being overwhelming. With the most up to date information on basic body systems, foundational concepts such as medical terminology, nutrition, and full coverage of office concepts and procedures, you'll have everything you need to know to begin your Medical Assisting career with confidence. Full color design is visually stimulating and great for visual learners. Helpful studying features guide students through the material, such as Learning Objectives for every chapter, Key Information summarized in tables throughout the text, and emphasized Key Words. Practical Applications case studies at the beginning of each chapter quickly introduce students to real life Medical Assisting. Word Parts and Abbreviations at the end of the Anatomy and Physiology sections reinforce learned medical terminology. Illustrated step by step Procedures with charting examples and rationales show how to perform and document administrative and clinical procedures. UPDATED information on Medical Office Technology prepares students for jobs in today's modern and often hectic medical offices. NEW Disaster Preparedness content demonstrates how medical offices can work closely with community and health departments during an emergency. Newly organized information emphasizes foundational areas of knowledge with new chapters on Nutrition, Phlebotomy, Venipuncture, and Blood, Lymphatic, and Immune Systems. **Technical Release**, 1985 **Equipment Service Log Template** Journals For All, 2016-09-16 Maintenance Log Record Book Get Your Copy Today Capture 300 Maintenance Records 8 25 Inches by 6 Inches 102 Pages Log Date Equipment Part Maintained Name Model Serial Number Description Of Maintenance Get Your Copy Today
