### **First Encounter Coming Out English Edition:**

**Anglo-Chinese Encounters Before the Opium War** Xin Liu, 2022-08-12 *Anglo Chinese Encounters Before the Opium War A Tale of Two Empires Over Two Centuries* studies the fascinating encounters between the two historic empires from Queen Elizabeth I's first letter to the Ming Emperor Wanli in 1583 to Lord Palmerston's letter to the Minister of China in 1840 Starting with Queen Elizabeth I's letter to the Chinese Emperor and ending with the letter from Lord Palmerston to the Minister of China just before the Opium War this book explores the long journey in between from cultural diplomacy to gunboat diplomacy It interweaves the most known diplomatic efforts at the official level with the much unknown intellectual interactions at the people to people level from missionaries to scholars from merchants to travelers and from artists to scientists This book adopts a novel mirror approach by pairing and comparing people texts commodities artworks architecture ideologies operating systems and world views of the two empires Using letters gifts and traded goods as fulcrums and by adopting these unique lenses it puts China into the world history narratives to contextualise Anglo Chinese relations thus providing a fresh analysis of the surviving evidence Xin Liu casts a new light on understanding the Sino centric and Anglo centric world views in driving the complex relations between the two empires and the reversals of power shifts that are still unfolding today The book is not intended for specialists in history but a general audience wishing to learn more about China's historical engagement with the world

**Serial Encounters** Clare Hutton, 2019-06-06 James Joyce's *Ulysses* was first published in New York in the *Little Review* between 1918 and 1920 What kind of reception did it have and how does the serial version of the text differ from the version most readers know the iconic volume edition published in Paris in 1922 by Shakespeare and Company Joyce prepared much of *Ulysses* for serial publication while resident in Zurich between 1915 and 1919 This original study based on sustained archival research goes behind the scenes in Zurich and New York in order to recover long forgotten facts that are pertinent to the writing reception and interpretation of *Ulysses* The *Little Review* serialization of *Ulysses* proved controversial from the outset and was ultimately stopped before Joyce had completed the work The New York Society for the Suppression of Vice had taken successful legal action against the journal's editors on the grounds that the final instalment of the thirteenth chapter of *Ulysses* was obscene This triumph of the social purity movement had far reaching repercussions for Joyce's subsequent publishing history and for his ongoing efforts with the composition of *Ulysses* After chapters of contextual literary history on the cultural world of the *Little Review* the early production history of *Ulysses* and the New York trial of 1921 the study moves to a consideration of the textual significance of the serialization It breaks new ground in Joycean scholarship by paying critical attention to *Ulysses* as a serial text The study concludes by examining the myriad ways in which Joyce revised and augmented *Ulysses* while resident in Paris it shows how Joyce made *Ulysses* more sexually suggestive and overt in explicit response to the work's legal reception in New York

*The Johns Hopkins University circular*, 1883      *The Publications of the Prince Society* Prince Society (Boston,

Mass.),1884     Circulars Johns Hopkins University,1883     **The First Printed English New Testament** Edward Arber,1895     *The Encyclopædia Britannica* Hugh Chisholm,James Louis Garvin,1926     **The First Four Books of Xenophon's Anabasis** Xenophon,1877     **The Kaaterskill Edition of Washington Irving ...** Washington Irving,1880

The Phenomenon of Mental Disorder Petr Kouba,2014-11-18 This book provides a critical introduction to Heidegger's impact on psychiatry and psychology and has a focus on the application of his philosophy to psychiatry This is a complete revision of Heidegger's existential philosophy in the light of psychopathological phenomena Readers will find here a philosophical inquiry into the problem of mental disorder which shows Heidegger's own philosophy in a new light uncovering both its strengths and its weak points The author maps not only Heidegger's interaction with psychiatric thought as depicted in his Zollikon Seminars but also his influence on Swiss phenomenological psychiatry The work treats Heidegger in a critical way taking the phenomenon of mental disorder as a touchstone on which Heidegger's thought is tested The results of such a critical examination are important not only for a better understanding of psychopathological phenomena but also for a new understanding of Heidegger's approach to human existence This work treats the phenomenon of mental disorder as a philosophical problem that reflects the ontological character of human existence Heidegger's approach to mental disorder is confronted with the conceptions of Foucault Deleuze and Guattari in a novel way The book is more than just an historical overview as it highlights the limits of phenomenological thought in the area of psychiatry and it shows a possible way of moving beyond them This is a philosophical work with an interdisciplinary range Scholars of philosophy and those in the growing field of philosophy of psychiatry as well as those with an interest in Heidegger Studies will be particularly interested in this work
